Parents and Guardians;

As part of the options related to school calendars as presented by Illinois School Board of Education, the state is allowing schools to utilize five e-learning per year, in lieu of taking emergency days due to weather or other catastrophic reasons during the school year. The Astoria School District has made the decision to utilize the e-learning platform, also known as E-Learning Days, and will hold a public hearing on the process to inform parents as required by ISBE. Our required hearing will be held at 7:00 pm on May 21, 2025, in the school library, prior to the start of our regularly scheduled school board meeting.
