When liquor is used as flavoring the alcohol content is <0.5% by volume, unless otherwise specified. Any product that contains alcohol between 0.5-5% by volume is not for sale for individuals under 21 years of age. Women should not consume alcohol during pregnancy due to risk of birth defects. Consumption of alcohol impairs your ability to drive a car or operate machinery and may cause health problems

We have multiple vegan and alcohol free options. Please inquire.
