Red Hilton, inspired by a 30-year career, a very long run through Boston, and an overwhelming need to simplify her life, created BelmontCityPress.com. Her first book *"I'm Obsessed With Your Success"* solidified her as a go to person in her industry. She has been featured in The Boston Globe, major news outlets such as: CBS, NBC, FOX, ABC, AP NEWS, Book Publisher Central, Book Launch Express, The Boston Examiner, Bookstore Newswire, plus several more & her publications have hit #1 in the US and Canada. Red uses her experience as a former comedienne, a marathoner, a mom, and a tired old grumpy lady to compulsively work towards getting herself and others from point A to point B as quickly and easily as possible. Red lives in Boston with her family and 2 dogs. In her free time, she likes researching her "weird" allergies (we told you she was FUN!), planning family vacations no one has time for, cancelling plans with friends to stay home and read, and running (which FEELS like running but probably looks like walking).
