We invoice all our matters monthly this is usually the end of the month. Please agree in advance when you would like to receive your monthly invoice. We will then work your payment schedule around you.

Hourly Rates

We charge out our services by the hour. The rates you will be charged are as above. On many matters there will be more than one team member who works on your case, matter or file. A team member will not work on your file without your prior consent. We work collectively to try to get the best result for you. If you only want a certain team member or members to work on your file let us know. Alternatively if you don't want someone to work on your file you must let us know. Files will be checked or supervised by 1 of the partners to make sure you are getting the best service. You may be billed for this also. Some of the matters are fixed fees. This only applies to conveyancing and property matters or if a fixed fee is agreed in your initial engagement letter.

Unhappy about your invoice?

If you do not believe that your invoice is correct first of all contact us relaying your concerns billing@immisol.co.uk.

If you are still not satisfied and want to *Challenge* our bill apply for a detailed assessment

Get a detailed assessment

You can challenge our bill if you think you've been charged too much.

Ask the Senior Courts Costs Office to make a 'detailed assessment' of your bill. They can reduce your bill if they agree it's too expensive.

The detailed assessment will take place at an independent hearing.

Download and fill in [request form \(N258C\)](#). You must also pay a court fee. How much you pay will depend on the size of your solicitor's bill.

When to apply

You must [apply to the court](#) before asking for a detailed assessment. You must do this within **one month** of getting our bill.

If you do not, you can still apply within a year of getting the bill, but the court might ask you to pay part or all of what you owe upfront. You'll get back what you've overpaid if the judge agrees you've been charged too much.

You might also be able to apply if you've already paid our bill or it's been over a year since you got it. [You can only do this in special circumstances](#) - you must explain what these are when you apply.
