*your backyard...their adventure*

## WELCOME to Backyard Adventures

Thank you for including us in your search for a new play set! As you browse through our catalog, you'll focus first on all the things every parent holds dear – the safety features, the durable construction of our play sets, the variety of accessories and configurations, and the innovative value.

Families all over the world have found there's more to a Backyard Adventures play set than you might immediately notice. There's fitness and exercise, fresh air and time with friends, laughter and imagination, physical and mental development, learning and education. Most importantly, your experience at one of our dealer showrooms will bring to life all the benefits of owning a Backyard Adventures play set.

No catalog could possibly hold all the customized configurations available, so we encourage you to visit your local Backyard Adventures dealer. There, knowledgeable play set designers will work with you to customize the system that's right for your family, your budget, and your backyard.

At Backyard Adventures, we realize you have many choices when shopping for a new play set. We invite you to visit one of our unique dealer showrooms and experience the excitement for your family. We genuinely appreciate that you've included us in your search, and we're confident that you'll ultimately choose Backyard Adventures...*let the fun begin!*

## Best of Backyard Adventures

**1 Wood** — Backyard Adventures uses all cedar wood, a premium lumber for outdoor use. Our cedar is free of toxic chemicals and certified to meet and exceed all ASTM standards for play set construction materials. Our lumber suppliers practice sustainable forestry to ensure long-term renewability and a healthy environment. Our cedar is superior in strength and durability so your play set will last longer. Cedar is naturally resistant to bug infestation, rot, and decay.

**2 Flex walls** — Our flex walls represent Backyard Adventures' commitment to innovation and simplicity. Now you can easily add accessories anytime by simply removing a flex wall panel to create an activity zone.

**3 Compression clamps** — The key structure joints on our Treehouse Series and many accessories are secured with compression clamps for incredible strength. Our compression clamps have tested twice as strong as traditional bolt-through joints. The all new 90 degree and in-line compression clamps ensure a strong and rigid play set.

**4 Floors** — Treehouse floors are built just like your house! The floor joists, brand new shear hangers, and recessed floor design create a solid footing. Our floors are noticeably stronger, ensuring safe play for years to come.

**5 Steel swing supports** — The steel top plate and side strips are additional safety features against board failure. At Backyard Adventures, your family's safety is always our top priority.

**6 Thick chains** — Our exclusive ¼" powder-coated chains are noticeably thicker and stronger.

**7 Safe slides** — Our exclusive Rocket Slide is intelligently designed with high side walls and a safe exit so even your younger children can slide with confidence.

**8 Marine rope (no splintering)** — Our rope is marine grade for outdoor use. It does not splinter like cheaper ropes so little hands always have a secure, soft grip.

**9 Adjustable height swing beams, monkey bars, and forts (Peak Series)** — Our play sets are designed for relatively un-level backyards. We offer many features that adjust to fit the unique contours of your landscape.

**10 Heavy duty swing hangers** — Our commercial grade ductile swing hangers are the strongest swing hangers used on backyard play sets.

**11 High quality stain** — Our premium stain enhances the natural beauty of cedar and protects it from the elements.

**12 Safety grip chains** — The chains on our belt swings, infant swings, and toddler buckets are specifically designed for smaller hands with a comfortable rubber coating.

**13 Quarry Climbers** — These incredible rock climbing holds were hand sculpted by professional rock climbers. Quarry Climbers can be rotated to change the climbing experience as your children get older.

**14 Arched walls** — Arched walls make entering a play set easier and create a safer play area by not leaving our forts wide open.

**15 Grab handles** — Grab handles are strategically placed around the play set to ensure a safe play experience for your children.

- **Dealer service** — Your local dealer is the most valuable asset when choosing a play set for your family. Their friendly staff members are product experts, trained to teach you the most relevant information about selecting a backyard play set. Visiting a dealer is fun for the whole family, so take your kids and experience all Backyard Adventures has to offer.

- **Modular designs** — Backyard Adventures play sets are the most modular designs available. Visit your local dealer showroom to create a customized play set that's perfect for your family, backyard, and budget.

- **Best warranty** — Backyard Adventures warranties lead the industry in providing total customer satisfaction. We stand behind every play set we put our name on so you can be confident in your choice to own a Backyard Adventures play set.

- **Space savers** — Our space saving play sets and features create the most play value in small spaces. Ask your local dealer to design a space saving play set for your side yard or corner play space.

- **Flat ladder steps and hand rails** — All ladders are standard with flat steps and hand rails. This is always the safest way into a fort structure for children of all ages.

## Visit Your Local Dealer

When it comes to playtime, one size does not fit all. That's why each Backyard Adventures dealer offers a variety of play sets in many price points. With your family's input, it's easy to create the perfect backyard playground for years to come.

The art of play set design begins at your local Backyard Adventures dealership. There, a professional designer will learn about your family's favorite activities – which will quickly become obvious if you bring the kids to the showroom. They will help you determine which Backyard Adventures product from the Treehouse, Peak, Explorer, or Expedition series best fits the needs of your family.

Your dealer will learn about your yard and provide many play set options designed to work with your unique landscape, always keeping in mind the need for a safe play space. Many dealers will even visit your home to take measurements and help you pick the right spot! Once you've selected your new play system, your dealer will schedule a convenient time to assemble your play set right in your backyard.

At Backyard Adventures, we constantly push the boundaries of play set design. Each modular Backyard Adventures play set is inspired by the needs of your family, your backyard, and your budget. We're confident you'll be completely satisfied with your dealer experience, and we are proud to associate our name with your local dealer.

# Why Choose Backyard Adventures

Backyard Adventures has been designing and building play sets for over 25 years. In all this time, the most important lesson we've learned is to focus on total customer value. For us, value is many things: Quality, Durability, Safety, Good Prices, Fun, Excellent Service, and Ease of Installation.

Most recently we've learned that through enhanced product innovation, we can provide the highest value available. Innovation is a cornerstone of our company, and you'll see the results of creative ingenuity throughout all of our products.

Our innovative products, combined with service from your local dealer, guarantee a memorable shopping experience. We know your time is valuable, so you'll find it easy to shop for a Backyard Adventures play set. Our goal is to make designing a play set as simple as possible, without compromising quality.

Finally, we want you and your children to have fun with Backyard Adventures. Everything we do is focused on providing healthy fun for your family. Running, swinging, climbing, and jumping all build physical skills that improve endurance and develop coordination. Social play helps children develop decision making skills and build self-confidence. In addition, outdoor play improves your child's health and helps reduce the risk of childhood obesity. At Backyard Adventures we know that imaginative play is a child's work, and we build play sets that stimulate learning and creativity. As you consider our variety of play set options, we know you'll be satisfied with the Backyard Adventures play set you choose.

# Mega Slide

Backyard Adventures Mega Slide is available for all Treehouse and Peak play systems! Just like it sounds, the MEGA slide is huge and designed for limitless combinations of sliding fun.

The Mega Slide can be configured as a straight slide, 90 degree turn slide, or a spiral slide. Spiral slides can be installed with a clockwise or counter-clockwise rotation, plus the Mega Slide can attach to a 5', 6', 7', 7.5' or 8.5' deck height. This means the Mega Slide will fit in almost any play space with a variety of configuration options.

Your local Backyard Adventures dealer can help you design a Mega Slide to perfectly complement all of your other play features.

# Space Savers

Over the years, hundreds of parents have told us that as much as they'd love a new Backyard Adventures play set, their yards were just too restrictive to accommodate a fort, swing beam, slide, and accessories. So this year, we're highlighting our most popular configurations designed exclusively for smaller spaces.

For example, the Adventure Treehouse Junior or Jumbo with 2 Position Accessory Arm (shown right) is loaded with fun activities and perfect for a corner yard location. This play set has all the same quality and safety features as any other Treehouse design.

Space Saver play sets may be smaller, but they don't compromise play value! Together with your local Backyard Adventures dealer, you can create many play set configurations with the same features and accessories of our regular sized sets in a more compact design. You can add rock walls, picnic tables, or sandboxes without increasing the space requirements.

Space Savers will fit in almost any yard, and still leave room for the surrounding safe area around the play set. Visit your local Backyard Adventures dealer to learn about the ultimate space-saving flexibility of our compact play sets and accessories!

## Free-Standing Swing Set

PLAY SET SHOWN WITH:

- Free-Standing Swing Set (8' High)
- 2 - Belt Swings
- Trapeze Bar

The Free-Standing Swing Set will fit in almost any yard when you cannot fit a traditional fort and swing beam combination in the same space. It is 8' tall just like our fort swing beams and has room for three swing accessories. Visit your local Backyard Adventures dealer to learn about the ultimate space-saving flexibility of our compact play sets and accessories!

Free-Standing Swing Set

# Treehouse Series

The Treehouse Series is our most popular line of play sets with unlimited possibilities! Treehouse play sets are designed for parents and children to play together.

- Most modular
- Highest quality construction
- Vertical upright design for playhouses, picnic tables, or sand boxes
- Deck heights 5', 6', 7', 7.5', and 8.5'
- Swing heights 8', 9', and 10'
- Slide lengths 10', 12', and 14'
- Connect more than one Treehouse with a Bridge

The Backyard Adventures Treehouse Series is the world leader in total value. Our Treehouse play sets have been tested for over 25 years and continue to live up to the expectations of families around the world. We've completely redesigned our Treehouse series to give you our highest quality, easiest to customize, best priced Specialty play set available.

We've also incorporated our best engineering and highest quality materials into our Treehouse series. We use 100% cedar for long-lasting durability and back every Treehouse play set with our Limited Life-Time Warranty. Our all new 90 degree and in-line compression clamps are the strongest construction system, and our clamps have been tested to be more than twice as strong as non-clamped joints. In addition, these compression clamps make it easy to add higher levels as your children grow.

# Treehouse Base Forts Lineup

Adventure Treehouse Junior  
Deck: 45" X 64" or 20 sq. ft.

Olympian Treehouse Junior  
Deck: 45" x 64" or 20 sq. ft.

Adventure Treehouse Jumbo  
Deck: 64" x 64" or Over 28 sq. ft.

Olympian Treehouse Jumbo  
Deck: 64" x 64" or Over 28 sq. ft.

Titan Treehouse Jumbo  
Deck: 64" x 64" or Over 28 sq. ft.

A Treehouse play set is an investment in your child's future. You'll see firsthand how your children become stronger, healthier, and happier as they play on a Backyard Adventures Treehouse. Ask your local dealer to help you create a custom Treehouse with one of these base structures that will make lasting memories for you and your children.

# Treehouse Junior

The ADVENTURE TREEHOUSE JUNIOR is a fantastic value! As one of our new space saving forts, this play set can be loaded with fun in a smaller space. You can add a rock wall, picnic table, sandbox, swing beam and slide to maximize play value without compromising on strength.

Fort Size: 45" x 64" or 20 sq. ft.  
Deck Height: 5'  
Structure: 4" x 4" Vertical Legs

The OLYMPIAN TREEHOUSE JUNIOR is another new space saving unit, but with a taller 6' high deck. This play set is perfect for older kids with the 9' swing beam, longer slide, and bigger rock wall. You can even add a second level, the Olympian Treehouse Sundeck, to this fort for a multi-level play set design.

Fort Size: 45" x 64" or 20 sq. ft.  
Deck Height: 6'  
Structure: 4" x 4" Vertical Legs

Optional Tarp Roof available for Treehouse Junior Play sets.

# Treehouse Jumbo

The ADVENTURE TREEHOUSE JUMBO is the new version of a Backyard Adventures classic. This new larger fort with a 5' high deck is rock solid and ready for fun. Almost every popular feature is available on the Adventure Treehouse Jumbo. Add monkey bars, a gang plank, or the new Balcony!

Fort Size: 64" x 64" or Over 28 sq. ft.  
Deck Height: 5'  
Structure: 4" x 4" Vertical Legs

The OLYMPIAN TREEHOUSE JUMBO is our most popular base fort. The 6' high deck makes it perfect for older kids because of the taller swings, longer slides, and bigger accessories. Add a playhouse or a porch to enclose the bottom or a cabin package to enclose the top. The choice is yours! Don't forget to consider adding a monkey bar or a gang plank.

Fort Size: 64" x 64" or Over 28 sq. ft.  
Deck Height: 6'  
Structure: 4" x 4" Vertical Legs

Adventure Treehouse Jumbo

Olympian Treehouse Jumbo

**Titan Treehouse Jumbo**

The TITAN TREEHOUSE JUMBO is our tallest Treehouse fort. It has a 7' high deck with lots of head room. You can add a 10' high swing, 14' long slide, and all of our other tallest or longest accessories. Add the new Balcony and make the Titan Treehouse Jumbo the largest 7' deck available!

Fort Size: 64" x 64" or Over 28 sq. ft.  
Deck Height: 7'  
Structure: 4" x 4" Vertical Legs

Optional Tarp Roof available for Treehouse Jumbo play sets.

# Treehouse COMBO Play Set

Want to turn a large yard into a neighborhood playground? Attach two play sets (or more) together to create a monster playground with enough activities for the whole neighborhood! The Adventure Bridge and the Triangle Bridge, Backyard Adventures exclusives, are designed to connect multiple play sets safely and with maximum play value in mind.

Visit your local Backyard Adventures dealer to experience the limitless possibilities of play set designs. Our dealers' creative ingenuity has produced some of the most magnificent play sets ever imagined!

PLAY SET SHOWN WITH:

- Titan Treehouse Jumbo
- Playhouse

- 3 Position 9' Swing Beam
- Steel Reinforced Beam Kit
- 2 - Belt Swings
- Trapeze Bar
- 8.5' Mega Spiral Slide
- 2 - 14' Rocket Slides
- 2 - 12' Rocket Slides
- Monkey Bars
- Monkey Bar Fireman's Pole
- Fireman's Pole
- 6' Rock Wall
- Picnic Table
- Tire Swivel Swing
- Gang Plank
- Ship's Wheel
- Steering Wheel
- Binoculars
- Telescope

# Adventure Bridge

The Adventure Bridge is more than just a connection point for two or more play sets; it's a play area in and of itself. The Adventure Bridge is a perfect place for a ship's wheel, binoculars, telescope, periscope and of course, endless imagination. And the large area underneath the Adventure Bridge can provide ample room for a tire swivel swing.

Now with the all new Adventure Bridge, you can add up to six additional accessories to the flex walls. This means you can add slides, a rock wall, gang plank, fireman's pole, or more accessories to either side of the bridge. Only Backyard Adventures has a bridge with so much flexibility. The combinations of our Treehouse Series and Peak Series play sets with the Adventure Bridge are endless!

**Note:** The points of connection for the two play sets must have the same deck height, and design considerations may affect the point at which your two play sets are attached.

# Triangle Bridge

The totally unique Triangle Bridge is a Backyard Adventures exclusive. You are no longer limited to 90 degree angles for all of your forts and accessories. The Triangle Bridge attaches two Treehouse forts at the corners and makes a 45 degree play area for additional accessories.

The 45 degree angle also creates many new space saving opportunities. You can connect a longer slide to one of the Treehouse forts with less space by attaching the slide so that it travels along the back side of the other fort. The Triangle Bridge possibilities are limitless!

Add slides, a gang plank, fireman's pole, or an extra ladder to the flex walls on the Triangle Bridge. Talk to your local dealer about how you can use the Triangle Bridge to design a combo play set for your backyard.

**Note:** The points of connection for the two play sets must have a 1 foot difference in the two deck heights, and design considerations may affect the point at which your two play sets are attached.

## NEW Peak Series

The all new Peak Series is loaded with some of our most popular accessories and is designed to adjust for relatively un-level yards. Peak play sets are constructed for parents and children to play together.

- Modular design
- Tarp and Wood Roof options
- Highest quality construction
- Angled leg design for tire swivel swing
- Deck heights 5', 6', 7', 7.5', and 8.5'
- Swing heights 8', 9' and 10'
- Slide lengths 10', 12' and 14'

The new Backyard Adventures Peak Series was created by taking the best of all our previous angled leg units and combining those features into the new Peak Junior and Peak Jumbo structures. Peak Juniors have a 5.5' x 5.5' deck space, and Peak Jumbos have a huge 7.5' x 5.5' deck space with a triple activity wall. You'll be amazed how much room you have while playing in one of our Peak forts!

The Peak series comes standard with our most popular climbing options: rock wall, chain ladder/flat-step ladder combo, and accessory arm with rope ladder. You also get a tire swivel swing and an accessory arm with trapeze bar with every Peak unit. Your local dealer will help you customize a Peak Play set design with swing beams, slides, monkey bars, and a loft.

When you compare our Peak Series to other angled leg swing sets, it's easy to see the incredible value we've built into our Peak play sets. No other similarly designed system will provide the same combination of play value, quality, reliability, and fun.

# Peak Base Forts Lineup

A Peak play set starts out with tons of fun because all Peak forts include a rock wall, chain ladder, tire swivel swing, rope ladder, and trapeze bar. And with our all new Junior and Jumbo sizes, there is no limit to what you can create for your family. Peak Junior structures can accommodate two additional play features on the front side and a swing beam on the back side, while the Peak Jumbo structures have room for three additional play features on the front side with a swing beam on the back side. You've never seen anything like the new triple activity wall on the Peak Jumbo.

5' High Deck

Adventure Peak Junior  
Deck: 5.5' x 5.5' or Over 30 sq. ft.

6' High Deck

Olympian Peak Junior

7' High Deck

Titan Peak Jumbo  
Deck: 7.5' x 5.5' or Over 41 sq. ft.

# Peak Junior

**Adventure Peak Junior**

The ADVENTURE PEAK JUNIOR is the new space saving version of a re-imagined Peak Series of play sets. This new larger fort with a 5' high deck includes all the most popular features with premium construction. Plus there are many additional accessories available for the Adventure Peak Junior. Add monkey bars, a gang plank, or a Loft!

Fort Size: 5.5' x 5.5' or Over 30 sq. ft.  
Deck Height: 5'  
Structure: 4" x 6" Angled Legs

**Olympian Peak Junior**

The OLYMPIAN PEAK JUNIOR is taller with more value. The 6' high deck makes it perfect for older kids because of the taller swings, longer slides, and bigger accessories. Taller isn't just more fun, it means your investment will last many more years as kids continue to enjoy their special backyard getaway.

Fort Size: 5.5' x 5.5' or Over 30 sq. ft.  
Deck Height: 6'  
Structure: 4" x 6" Angled Legs

The TITAN PEAK JUNIOR has our tallest 7' high base fort deck, with all the bells and whistles. The huge rock wall and large radius tire swivel swing are childhood favorites. Plus your kids will have a view like none other from their very own backyard mountain peak! Titan Peak Junior is made to fit in most backyards without compromising on the best premium play features.

## Introducing the NEW Peak Series Structural Features

The new Peak Series forts are rock solid with premium structural features so you and your children can play together on a Peak play set. The triple lock joints on the upper structure secure all four corners for ultimate stability. The double locking gussets between the fort legs, floor supports, and roof supports bind the mid section of the structure to the base. And finally, our post and beam floor joist system is unmatched in strength and weight bearing capacity. We are confident you won't find higher quality on comparable structures. Also, don't forget to ask about our new recessed floor design for a seamless transition between the inside and outside of the play area.

# Peak Jumbo

**Adventure Peak Jumbo**

The ADVENTURE PEAK JUMBO has the largest 5' high deck we've ever made with over 41 sq. ft. of play space and lots of head room. The triple activity wall makes this fort different than any of its competitors with unlimited possibilities. Our premium construction and Limited Life-Time Warranty put it over the top in total value. Try adding a couple of slides and a gang plank for ultimate fun!

Fort Size: 7.5' x 5.5' or Over 41 sq. ft.  
Deck Height: 5'  
Structure: 4" x 6" Angled Legs

**Olympian Peak Jumbo**

The OLYMPIAN PEAK JUMBO is a sight to see. Older kids will feel empowered climbing to the taller 6' deck, rocketing down longer slides, and soaring on higher swings. When you package your Peak play set with a monkey bar and loft, your kids will have a totally new perspective on the world. And be sure to check out the amazing tube slide options.

Fort Size: 7.5' x 5.5' or Over 41 sq. ft.  
Deck Height: 6'  
Structure: 4" x 6" Angled Legs

## Titan Peak Jumbo

The TITAN PEAK JUMBO has our tallest 7' high deck with a giant play space. The huge rock wall, longest chain ladder, and spinning tire swivel swing will create lasting smiles. The best way to experience the incredible size of the Titan Peak Jumbo is to test one in person. Almost everyone can walk under the deck while standing, and the view from atop is something your kids won't forget!

Fort Size: 7.5' x 5.5' or Over 41 sq. ft.

Deck Height: 7'

Structure: 4" x 6" Angled Legs

Optional Wood Roof available for Peak Jumbo play sets.

Optional Multi-Color Tarp Roof available for Peak Jumbo play sets.

Open Spiral Slide!*

\*Available for 6' and 7' decks

## NEW Play Set Designer!

Backyard Adventures' Play Set Designer is a unique and powerful, online, custom play set design tool. You can use the Play Set Designer at home, work, or with a Play Set Specialist at one of our dealers' stores. Give it a try by clicking the link on our website, or visit <http://design.backyardadventures.com> to go directly to the Play Set Designer\*.

Once the system loads, start by creating your account. Click Log In at the top right corner of your screen, then click Sign Up at the bottom of the pop up window. Create your account with your email address and a password. Then start designing by choosing one of our pre-configured play sets or by starting from scratch with a Treehouse or Peak base fort.

You can save your custom designs to work on later, or email your design to your local dealer to request a quote. Feel free to give your local dealer a call if you have any questions about how to use the Backyard Adventures Play Set Designer.

\*Loading times will vary based on internet connections speeds. It can take several minutes for the system to fully load. May not be compatible with all hardware or internet browsers. Limited to Edge, Safari, and Chrome internet browsers.

## Explorer Series

The Explorer Series is the perfect balance between price and value. It is a high quality series with many heavy-duty features like the Treehouse and Peak play sets. Explorer play sets are designed for children of all ages and provide the ultimate combination of quality, affordability, convenience and of course, fun.

- Modular design
- High quality construction
- Deck heights 5' and 6'
- Swing heights 8' and 9'
- Slide lengths 10' and 12'
- Can add many Treehouse and Peak accessories

We've borrowed some vital safety features from our other play sets – notably, the steel strip on swing beams, heavy ductile swing hangers, thick gauge chains, and flat-step ladders. Each feature adds even more value to an already solid design.

The Explorer Series is comprised of two different fort structures, the Magellan and the Mountaineer, each with unique standard accessories. When considering an Explorer play set, first select your fort structure and your swing beam. Then choose from our selection of slides and decide which swing accessories will be best for your children. It's that easy to have the perfect play set for your family!

Compare the wood, accessory options, construction and design of similarly priced play sets and you'll see why the Backyard Adventures Explorer Series is the indisputable leader!

## Magellan

The MAGELLAN base fort is loaded with excitement for your adventurous explorers! It comes standard with some of our most popular accessories, including a rock wall and a picnic table. We made the fort bigger with a 20 sq. ft. play area so your kids have extra play space for more fun and more adventure. You can also double the play space with the new Lower Enclosure (optional) or add a Magellan Tower (optional) with a 6' high deck. The Magellan Tower creates options for a longer slide or higher swings and comes standard with a 6' rock wall upgrade.

## Mountaineer

The MOUNTAINEER has been designed to ensure maximum value for your family with a larger 5' x 5' deck size. This base fort comes standard with a full sized rock wall, tire swivel swing, accessory arm with trapeze bar, and an accessory arm with rope ladder. When you customize this play set with a swing beam or monkey bar and a Rocket Slide, you're providing countless hours of fun for your explorers! Your local dealer will help you create the perfect Mountaineer play system for your family.

- 10' Rocket Slide
- Explorer Gang Plank

# Expedition Series

Our Expedition series is the most affordable family of top-quality play sets available. The Expedition Series is loaded with valuable features and is designed for children of all ages.

- Pre-packaged kits for easy design
- Unique options at great prices
- Deck height 5'
- Swing height 7.5'
- Slide length 10'

Expedition play sets are priced similarly to the “mass produced” sets you might find at big box, home improvement, and toy stores; but with a number of distinct advantages over those budget-priced sets:

**Materials:** You won't find any pine or treated woods here — only strong, durable, beautiful Cedar.

**Installation:** Expedition play sets are conveniently boxed for do-it-yourself assembly, or for a reasonable price your local Backyard Adventures dealer can install it for you!

**Expertise:** Retail associates at home improvement stores aren't always trained to answer questions about their lines of play sets, but your local Backyard Adventures dealer will work closely with you to help you choose the right spot in your yard, discuss ground cover options, and select the right play set for your family and budget.

**Warranty:** Put our warranty against any other similarly-constructed play set and you'll come away with the peace of mind that your investment is backed by one of the most experienced manufacturers in the industry!

# Expedition Series Highlights

## Improved Swing Beam

- Adjustable Legs
- Stronger Hardware
- 2 + 1 Three Position Setup

The Expedition Single Beam has been designed for improved strength and stability. The 2 + 1 three position setup makes it safer for children to enjoy different swing accessories with more space between each swing. The longer single beam legs and heavier duty hardware add increased stability to the swing beam and the entire fort structure.

Additionally, the single beams are adjustable in height for un-level backyards, making this our most flexible Expedition swing design ever!

We offer many other swing accessories that can be added to your Expedition play set including gliders, infant swings, and toddler buckets. Talk to your local dealer to learn more about our improved Expedition Series.

## Ladder Hand Rails

We've added powder-coated steel handrails to our Expedition deck ladders, making them even safer. Your child will feel safe and secure climbing into their new fort with our flat steps and handrails.

# Un-Level Yard Installation

Backyard Adventures dealers are experts at designing and installing our play sets to fit almost any backyard layout. The creative play set designers at your local store will take the time to understand the unique features of your play area. They will work with you to create the perfect backyard playground for your family.

Backyard Adventures dealers have perfected the art of custom play set design, and here you can see a few examples of their creativity. Our dealers can order special fort uprights in various lengths to create amazing play systems for the most unique settings.

If you feel your backyard is not suited for a premium play system, contact your local Backyard Adventures dealer before you decide on compromising for a smaller play set. You might just be surprised what one of our authorized Backyard Adventures dealers can do for your family and your backyard!

\*Additional fees may apply for un-level yard installations.

# Safety & Maintenance

*Choose the safest possible location for your Backyard Adventures play set.*

It is very important to assemble your play set level, so it can rest securely on the ground. You should also maintain a safe play area around your play system. Ideally, any stationary component such as a fort, ladder, slide, or rock wall should be no less than six feet from any structure or obstruction including a fence, tree, electrical wires, curbing, or a house.

*Choose the most sensible ground cover for your dedicated play area.*

You have many options when it comes to ground cover; to name a few, wood chips, sand, pea-gravel, or rubber mulch. You may also choose to just place your set directly on the grass or artificial turf. (Although grass is not the ideal cover for the safest play, it is common.) An absolute no-no is to place your play set over concrete or asphalt, regardless if you add any of the above listed ground covers.

*Taking care of your play set is no different than any other big investment you make.*

Periodic tightening of nuts and bolts will ensure the safety of your children while at play. In addition, an annual "tune-up" for your play set is highly recommended. Please contact your local dealer to inquire about their Service Program, which may include a complete safety check, play set cleaning, light sanding where needed, hardware tightening and last but not least, an application of Backyard Adventures original stain. By doing so, your investment is sure to last a lifetime!

*Authorized Backyard Adventures dealers ... priceless.*

Our Dealers are there for YOU! They are ready and willing to help you make the perfect choice when it comes to choosing your play set, location, installation, or ground cover. After you purchase your play set, your local dealer is just a call away to assist you in adding additional fun accessories or helping you maintain the luster of your play set. You can always purchase Backyard Adventures Wood Glow stain at your local dealer store. They can even move or assist you in moving your play set to a different location if necessary. We are proud of our Dealer network and know you will be as well.

# Treehouse, Peak, Explorer Warranty

## BACKYARD ADVENTURES LIMITED WARRANTY FOR TREEHOUSE, PEAK, AND EXPLORER SERIES BRANDS

This Limited Warranty applies to products manufactured by or on behalf of BACKYARD ADVENTURES®, Inc. under the Treehouse™ Series, Peak™ Series, and Explorer™ Series trade names.

All wood, Rocket Slides™, Super Slides, Turbo Slides, Mega Slides, powder-coated steel components, and hardware are covered by a Limited Lifetime Warranty, that is, they are warranted for so long as the original owner owns such parts, accessories and components against rot and decay or defects in workmanship and materials that affect the structural integrity of the parts, accessories and components. In the event of any rot, decay or defect during the period, BACKYARD ADVENTURES® will remedy the defect as described herein, without charge to the purchaser for parts, as soon as practical. The remedy will consist of repair or replacement of the product, or refund of the purchase price, at the discretion of BACKYARD ADVENTURES® after opportunity to inspect the alleged defect or photographs thereof. However, BACKYARD ADVENTURES® will not elect to refund the purchase price unless it is unable to provide a replacement, and repair is not commercially practicable or cannot be made within a reasonable time. All freight and labor charges will be the responsibility of the purchaser.

BACKYARD ADVENTURES®, Inc. warrants that this product will be free from defects in materials and workmanship for a period of five (5) years from the original date of purchase. This five (5) year warranty covers all parts not mentioned in the above Limited Lifetime Warranty. In the event of any such defect during the five year warranty period, BACKYARD ADVENTURES® will remedy the defect as described herein, without charge to the purchaser for parts, as soon as practical. The remedy will consist of repair or replacement of the product, or refund of the purchase price, at the discretion of BACKYARD ADVENTURES® after opportunity to inspect the alleged defect or photographs thereof. However, BACKYARD ADVENTURES® will not elect to refund the purchase price unless it is unable to provide a replacement, and repair is not commercially practicable or cannot be made within a reasonable time. All freight and labor charges will be the responsibility of the purchaser.

In addition, within the first 30 days from date of purchase, BACKYARD ADVENTURES® will replace any parts found to be missing from or damaged in the original packaging.

This warranty applies to the original owner and registrant only and is non-transferable. Regular maintenance is required to assure maximum life and performance of this product and failure by the owner to maintain the product according to the maintenance requirements may void this warranty. Maintenance guidelines are provided in the Owner's Manual.

This Limited Warranty does not cover:

- Labor for any inspection.
- Labor for replacement of any defective item(s).
- Incidental or consequential damages.
- Cosmetic defects which do not affect performance or integrity of a part or the entire product, including surface rust and peeling or chipping of paint.
- Vandalism, improper use, failure due to loading or use beyond the capacities stated in the applicable Assembly Manual.
- Acts of nature including but not limited to wind, storms, hail, floods, and excessive water exposure.
- Improper installation including but not limited to installation on uneven, un-level, or soft ground.
- Minor twisting, warping, checking, or any other natural occurring properties of wood that do not affect performance or integrity.

BACKYARD ADVENTURES® products have been designed for safety and quality. Any modifications made to the original product could damage the structural integrity of the unit leading to failure and possible injury. Modification of the original product voids any and all warranties and

BACKYARD ADVENTURES® assumes no liability for any modified products or consequences resulting from failure of a modified product.

These Limited Warranties apply to play sets purchased for and/or used in RESIDENTIAL USE ONLY.

This Warranty gives you specific legal rights. You may have other rights as well which vary from state to state or province to province. This warranty excludes all consequential damages, however, some states do not allow the limitation or exclusion of consequential damages and therefore this limitation may not apply to you.

# Expedition Warranty

## BACKYARD ADVENTURES LIMITED WARRANTY FOR EXPEDITION SERIES BRAND AND DEALER PRIVATE LABEL PRODUCTS

This Limited Warranty by BACKYARD ADVENTURES® applies to products manufactured under the Expedition™ Series name and all other products sold to Dealers intended for private label use.

All wood, Rocket Slides™, powder-coated steel components, and hardware are warranted for ten (10) years from the original date of purchase against rot and decay or defects in workmanship and materials that affect the structural integrity of the parts, accessories and components. In the event of any rot, decay or defect during the ten year warranty period, BACKYARD ADVENTURES® will remedy the defect as described herein, without charge to the purchaser for parts, as soon as practical. The remedy will consist of repair or replacement of the product, or refund of the purchase price, at the discretion of BACKYARD ADVENTURES® after opportunity to inspect the alleged defect or photographs thereof. However, BACKYARD ADVENTURES® will not elect to refund the purchase price unless it is unable to provide a replacement, and repair is not commercially practicable or cannot be made within a reasonable time. All freight and labor charges will be the responsibility of the purchaser.

BACKYARD ADVENTURES®, Inc. warrants that this product will be free from defect in materials and workmanship for a period of two (2) years from the original date of purchase. This two (2) year warranty covers all parts not mentioned in the above ten (10) year warranty. In the event of any such defect during the two year warranty period, BACKYARD ADVENTURES® will remedy the defect as described herein, without charge to the purchaser for parts, as soon as practical. The remedy will consist of repair or replacement of the product, or refund of the purchase price, at the discretion of BACKYARD ADVENTURES® after opportunity to inspect the alleged defect or photographs thereof. However, BACKYARD ADVENTURES® will not elect to refund the purchase price unless it is unable to provide a replacement, and repair is not commercially practicable or cannot be made within a reasonable time. All freight and labor charges will be the responsibility of the purchaser.

In addition, within the first 30 days from date of purchase, BACKYARD ADVENTURES® will replace any parts found to be missing from or damaged in the original packaging.

This warranty applies to the original owner and registrant only and is non-transferable. Regular maintenance is required to assure maximum life and performance of this product and failure by the owner to maintain the product according to the maintenance requirements may void this warranty. Maintenance guidelines are provided in the Owner's Manual.

This Limited Warranty does not cover:

- Labor for any inspection.
- Labor for replacement of any defective item(s).
- Incidental or consequential damages.
- Cosmetic defects which do not affect performance or integrity of a part or the entire product, including surface rust and peeling or chipping of paint.
- Vandalism, improper use, failure due to loading or use beyond the capacities stated in the applicable Assembly Manual.
- Acts of nature including but not limited to wind, storms, hail, floods, and excessive water exposure.
- Improper installation including but not limited to installation on uneven, un-level, or soft ground.
- Minor twisting, warping, checking, or any other natural occurring properties of wood that do not affect performance or integrity.

BACKYARD ADVENTURES® products have been designed for safety and quality. Any modifications made to the original product could damage the structural integrity of the unit leading to failure and possible injury. Modification of the original product voids any and all warranties and BACKYARD ADVENTURES® assumes no liability for any modified products or consequences resulting from failure of a modified product.

This product is warranted for RESIDENTIAL USE ONLY. Expedition play sets are designed for children ages 3 – 10. Under no circumstance should a BACKYARD ADVENTURES® Expedition™ Series product or any private label product be used in public settings such as schools, churches, playgrounds, parks, day cares and the like. Such use may lead to product failure and potential injury. Any and all public use will void this warranty. Backyard Adventures® disclaims all other representations and warranties of any kind, expressed or implied.

This Warranty gives you specific legal rights. You may have other rights as well which vary from state to state or province to province. This warranty excludes all consequential damages, however, some states do not allow the limitation or exclusion of consequential damages and therefore this limitation may not apply to you.

# Light Commercial Warranty

## Backyard Adventures Light Commercial Use One Year Limited Warranty

This Limited Warranty by Backyard Adventures applies to play set products: (i) manufactured under the Treehouse® series and Peak® series brands (collectively the “Brands”); (ii) purchased by the ultimate consumer entity from an authorized dealer of the Brands; (iii) installed by that dealer or a contractor engaged by such authorized dealer and such installation includes compliance with Backyard Adventures installation information, guides and directions, using an approved Concrete Anchoring Kit; (iv) installed in a location that is not accessible to the general public (such access only available to participants of the consumer entity programs); (v) all use of the play sets by such participants is supervised by a responsible adult, and (vi) the installation and use of the play sets are in compliance with all applicable laws, regulations and ordinances, including but not limited to permitting, inspection, and limitation of number of users, if any .

Backyard Adventures warrants that for a period of one year from the purchase date of the product from the dealer, (a) the wood, hardware, swings, slides, an accessories are free from defect in materials and workmanship, and (ii) all wood parts are free from rot and decay. Refer to the schedule below for charges associated with replacement of parts under this Limited Warranty. In addition, Backyard Adventures will replace any parts within the first 30 days from date of purchase found to be missing from or damaged in the original packaging.

This warranty applies to the original owner and registrant and is non-transferable. Regular maintenance is required to assure maximum life and performance of this product and failure by the owner to maintain the product according to the maintenance requirements may void this warranty. Maintenance guidelines are provided in the Owner’s Manual.

### This Limited Warranty does not cover:

- Labor for any inspection
- Labor for replacement of any defective item(s)
- Incidental or consequential damages
- Cosmetic defects which do not affect performance or integrity of a part or the entire product
- Vandalism, improper use, failure due to loading or use beyond the capacities stated in the applicable Assembly Manual.
- Acts of nature including but not limited to wind, storms, hail, floods, excessive water exposure
- Improper installation including but not limited to failure by the installer to follow all instructions, guides or directions, or failure to use the appropriate Concrete Anchoring Kit
- Installation on uneven, un-level, or soft ground
- Minor twisting, warping, checking, or any other natural occurring properties of wood that do not affect performance or integrity
- Freight and/or shipping costs for replacement parts

Backyard Adventures products have been designed for safety and quality. Any modifications made to the original product could damage the structural integrity of the unit leading to failure and possible injury. Modification voids any and all warranties and Backyard Adventures assumes no liability for any modified products or consequences resulting from failure of a modified product.

This product is warranted for RESIDENTIAL AND LIGHT COMMERCIAL USE ONLY. Light Commercial Use is defined as installation and use by home day care facilities, churches, pre-schools with a limited student population. Backyard Adventures reserves the right to approve additional light commercial settings on a case by case basis. Under no circumstances should a Brand play set be installed and used in an unsupervised, public settings such as schools, churches, playgrounds, parks, day care centers and the like where there is more than a limited student population or any of the other conditions set forth in this Limited Warranty are not strictly adhered to. Use in a prohibited setting may lead to product failure and potential injury. Any and all public use in a prohibited setting will void this warranty. Backyard Adventures disclaims all other representations and warranties of any kind, express or implied.

This Limited Warranty does not apply to any Backyard Adventures play sets or products other than the specified Brands or to any product whatsoever purchased from any source other than an authorized dealer of Backyard Adventures.

This Limited Warranty gives you specific legal rights. You may have other rights as well which vary from state to state or province to province. This warranty excludes all consequential damages, however, some states do not allow the limitation or exclusion of consequential damages and therefore this limitation may not apply to you.

To make a Warranty claim, send complete information regarding any product defect, including: (i) a copy of the original receipt for purchase, (ii) acceptance of installation documentation, (iii) a description, including pictures wherever possible, describing, defining and showing such defect. Such information should be sent to:
