

Mission: Raise funds and marshal resources throughout Iowa Giving Crew's collective network to serve those most in need throughout the community.

## Operation Give Birds

**Operation Give Birds** is the flagship event of Iowa Giving Crew's organization, and where it all started! The event provides Thanksgiving meals to families in need. Each meal contains a turkey, green beans, potatoes, stuffing, corn, rolls and more for a family of four.

In 2022, the organization plans to donate 1,200 meals! Each meal costs \$35.

## Operation Iowa Nice

**Operation Iowa Nice** will allow the Iowa Giving Crew to quickly respond to the needs in the community and mobilize resources to help families during times of need. In 2020, IGC recognized the need for an organization to be agile enough to respond to needs as they arose. Supporting derecho and pandemic relief was the cornerstone for this new year-long program. Moving forward, the Iowa Giving Crew will partner with local organizations, case managers, and neighbors to support those in unfortunate circumstances when their needs arise.

Some examples of this program include: IGC involvement and \$40k initiation of the PATCH Program, Derecho support donating 3,000 meals / day, creating a chainsaw program, partnering with Price electric for power needs, responding to help a family experiencing an entire fire loss, etc.

NEW!

## Operation Education

**Operation Education** is Iowa Giving Crew's Grant Program for local schools. As parents and community members, IGC understands the ever-changing needs in classrooms. Through this program, teachers, school members, and parents will be able to apply for funds that directly benefit the needs of the classroom.
