

Third Party Professional Documentation for Lease Termination

What is the purpose of this form?

This form serves as documentation for the purposes of residential lease termination for certain victims. In addition to other steps the victim must take, this form serves as one of the types of documentation required by law a victim must show to terminate their lease early for safety purposes.

Who may sign this form?

This form may be signed by 'third party professionals' who are:

- Licensed medical care providers, who examined or evaluated the victim,
- Licensed mental health care providers, who examined or evaluated the victim, or
- Advocates at a family violence center¹ or rape crisis center², who assisted the victim.

What am I attesting to?

The person in your care or receiving services is seeking residential lease termination due to victimization. You are attesting that you are a professional that falls into one of the three categories of third-party professionals listed below and in this capacity you have examined, evaluated or assisted the victim.

Professional Name: _____

Credentials (optional): _____

Affiliation, Center, or Practice Name: _____

I am a:

(check one)

Advocate at a Family Violence Center or Rape Crisis Center
