

# Legal Strategies

## Employment Access and Loss of Opportunity

### Our Focus

With a doctoral degree in Educational Psychology and a graduate degree in Rehabilitation Counselor Education, Dr. Smith has over 30 years of experience of working directly with parents, students, educators, and attorneys to identify learning, educational, and rehabilitation barriers to employment and daily living.

Originally from Shreveport, LA, he now resides in the Acadiana region of Louisiana and has an office in Lafayette, LA, but consults with families and individuals across the United States.

### Our Approach

#### Strategies

##### **Vocational Evaluation** *(Personal Injury)* -

Vocational interview, intelligence and aptitude testing, and report for those who have been injured (\$250 hour, minimum \$1,500; Deposition and Court Rate, \$550 hour, minimum 3 hours. Most plans range from \$1,500 to \$3,500. Does not include deposition & court costs)

##### **Life Care or Living Trust Planning:** *(adolescent or child)* -

Assessment of long term medical, vocational, educational, and social needs for litigation or development of trusts  
*(Cost based upon extent of disability and range of medical needs)*

##### **Life Care Planning** *(Personal Injury & Medical Malpractice)* -

Evaluation and summary of past medical events, listing of projected medical needs, and a summary of costs (\$250 per hour; estimated total costs will be based upon need. Does not include deposition & court costs)

##### **Medical Cost Projection** -

Estimate of projected medical costs, based physician direction (\$250 hour, most plans range from \$750 to \$2,500. Does not include deposition & court costs)

##### **Medical File Reviews** -

Review and organization of records by physician, date, disability, or other categories in a chronological listing (\$3 per page; minimum \$300)

##### **Divorce Litigation** *(Projected wages and losses)* -

Evaluation of one's educational profile, examination of current labor market trends, and data report regarding potential and lost wages (\$125 hour; minimum 6 hours. Does not include deposition & court costs)

Dr. Smith is available as an expert witness and offers consultation regarding legal strategies for vocational evaluations, medical cost projections, life care plans, employment valuations for divorce, and more.
