CONFERENCE OVERVIEW

Organised by

The conference will focus on the unique requirements of the South Indian market, particularly **Kerala's high rainfall, coastal exposure and humidity**, while also examining opportunities emerging across Tamil Nadu, Karnataka, Telangana and Andhra Pradesh.

A key focus will be on how advanced materials and technologies can help create **stronger, lighter, more durable and climate-resilient structures**. Discussions will cover the evolution of modern roofing systems, coated steel, corrosion protection, paints and protective

coatings, lightweight and pre-engineered structures, sustainable building solutions and innovative building-envelope technologies.

The conference will also explore the growing role of **high-performance paints and coatings in protecting steel and roofing systems from corrosion, heat, moisture and harsh environmental conditions**. Experts will discuss innovations in cool-roof coatings, protective paints, fire-resistant coatings, low-VOC technologies and solutions designed to extend the service life of buildings and infrastructure.

**INNOVATIVE
ROOFING SOLUTIONS.**

**ADVANCED
COATED PRODUCTS.**

**BUILD FOR DURABILITY.
DESIGNED FOR TOMORROW.**

**LIGHT WEIGHT STRUCTURES
FOR A STRONGER FUTURE.**

ABOUT *the* ORGANISER

✓ Our Mission

METALOGIC PMS is proud to be the industry's early morning news provider for over **10+ years**, covering areas such as steel, mining, automobile, cement, and infrastructure.

It also offers daily updates on commodity base prices and congestion reports at major Indian ports.

✓ Our Speakers

We handpick each of our speakers for their expertise and innovative ideas, ensuring that our guests are exposed to the latest trends and thought-provoking insights.

WeCreate
TheBest

✓ Our History

Founded in 2017, Metalogic PMS has since become a premier event in the industry, attracting top professionals and thought leaders from around the world.

With over **10+ years** of experience in organizing steel industry-related events and disseminating information through various media, METALOGIC's experienced team is set to propel this standalone venture for the success of the Indian iron and steel industry.

Beyond the Event:

Every Metalogic conference is documented and amplified, delivering extended promotional visibility and lasting industry impact.

Lasting Value:

Participation doesn't end at the event—Metalogic ensures recorded, shareable content for continued exposure.

More than a Conference:

Professionally captured and distributed, Metalogic events create ongoing visibility for speakers, partners, and participants.

FOCUS ON SOUTH INDIA

Addressing high
rainfall, coastal
exposure and humidity

STRONGER. LIGHTER & DURABLE

Advanced materials
and technologies for
climate-resilient and
long-lasting structures

MODERN ROOFING & STRUCTURAL SOLUTIONS

Evolution of roofing systems,
coated steel, lightweight &
pre-engineered structures

HIGH-PERFORMANCE PAINTS & COATINGS

Protecting steel & roofing
systems from corrosion,
heat, moisture & harsh
conditions with innovative
coatings

WHY to ATTEND?

Organised by

Gain Strategic Insights

Understand emerging opportunities in roofing, coated products and lightweight structures across South India.

Stay Ahead of Trends

Explore the latest innovations in roofing systems, coatings, PEBs and lightweight structural solutions.

Engage with Decision Makers

Connect with industry leaders, architects, consultants, developers, EPCs and project owners.

Unlock Business Opportunities

Identify new projects, partnerships and growth opportunities across industrial, infrastructure and commercial sectors.

Discover Product Innovation

Explore advances in high-performance coatings, roofing systems, structural steel and value-added products.

Access Technical Expertise

Learn from experts on design, material selection, corrosion protection, durability and structural efficiency.

Build Your Network

Meet key stakeholders across the steel, roofing, construction and building-material value chain.

Understand Regional Demand

Gain insights into Kerala and Southern India's unique requirements, including monsoon performance, corrosion resistance and energy efficiency.

Position Your Brand

Showcase your products, technologies and capabilities to a focused audience of industry decision-makers.
