CONFERENCE OVERVIEW

Conference | Trade Meet | Exhibition

This industry platform is conceived as a high-impact Conference combined with a focused Trade Meet & Exhibition, bringing together the entire steel value chain under one roof – from steel producers and service centers to OEMs, EPCs, engineering companies, downstream manufacturers, logistics and technology providers.

As India scales up across automotive, infrastructure, and engineering manufacturing, Steel Service Centers (SSCs) are emerging as critical enablers of cost optimization, quality assurance, supply reliability, and execution speed. This event aims to position SSCs not merely as intermediaries, but as strategic partners in India's industrial and infrastructure growth story.

Conference Objectives

Discuss the evolving role of Steel Service Centers across key consuming sectors
Highlight costing, quality, and execution advantages of SSC-led supply models
Share global best practices and Indian case studies
Encourage collaboration between mills, SSCs, and end-users
Enable business collaboration through Trade Meet & Exhibition

Trade Meet

Buyer-Seller Engagement Platform.
The Trade Meet is designed to facilitate structured, outcome-oriented business interactions.

Trade Meet Highlights

Pre-scheduled B2B meetings between: Steel mills & Steel Service Centers SSCs & OEMs / EPCs / Engineering companies Downstream manufacturers & logistics partners Direct interaction with decision-makers and procurement heads

Exhibition

Showcasing Capabilities & Solutions The Exhibition will serve as a live showcase of products, technologies, and services across the steel ecosystem.

Exhibition Focus

- Steel Service Center processing capabilities
- Steel product portfolios: TMT, Pipes & Tubes, Sheets, Plates, Roofing
- Machinery, automation, and digital solutions
- Logistics, warehousing, and supply chain services
- Sustainability and green steel initiatives

ABOUT THE ORGANIZER

Our Mission

METALOGIC PMS is proud to be the industry's early morning news provider for over 4 years, covering areas such as steel, mining, automobile, cement, and infrastructure.

It also offers daily updates on commodity base prices and congestion reports at major Indian ports.

Our Speakers

We handpick each of our speakers for their expertise and innovative ideas, ensuring that our guests are exposed to the latest trends and thought-provoking insights.

WeCreate TheBest

Our History

Founded in 2017, Metalogic PMS has since become a premier event in the industry, attracting top professionals and thought leaders from around the world.

With over 9 years of experience in organizing steel industry-related events and disseminating information through various media, METALOGIC's experienced team is set to propel this standalone venture for the success of the Indian iron and steel industry.

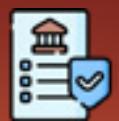

Industry Specialised
Speaker Selection

Buyers &
Sellers Meet

Time Management

Sessions

Targeted Customer
Attendees

Excellent Promotion
of Steel to End-User Industries

WHO SHOULD ATTEND?

Value Proposition for Participants

Knowledge exchange + real business opportunities

Direct access to buyers, sellers, and partners

Visibility among key decision-makers

Opportunity to convert discussions into deals

CONFERENCE AGENDA

09:00 am - 09:40 am

Delegate Registrations & Networking Session

09:45 am - 11:00 am

Conference Inaugural Session

Welcome Note

Industry Note

Chief Guest

Discussion Points-

- » Why Steel Service Centers?
- » Understanding the models of Primary and secondary steel manufacturers and emerging opportunities
- » Steel manufacturers investments and expansions in retail business
- » Steel processing under changing market dynamics and meeting customer requirements
- » SSC bridging the gap of Steel mills and end users
- » Dependencies and expectations of end user segment on SSC
- » Digital order management and production planning and Integration with ERP and factory systems

11:00 am - 12:00 pm

Session 1

Role of Steel Service Centers in Strengthening Automotive & Auto Component Manufacturing (Presentations & Panel)

Discussion Points-

- » Evolution of SSCs in global automotive supply chains
- » Position of SSCs between steel mills and auto OEMs / Tier-1 & Tier-2 suppliers
- » Role of SSCs in Just-in-Time (JIT) and Just-in-Sequence (JIS) manufacturing
- » Costing Impact: How SSCs Optimize Automotive Steel Costs
- » Steel Requirements of the Automobile & Auto Component Industry

12:00 pm - 12:15 pm

Sponsored Presentation Slot 1

12:15 pm - 01:15 pm

Session 2

Role of Steel Service Centers in Accelerating Infrastructure Development (Presentations & Panel)

Discussion Points-

- » Centralized processing and distribution of infrastructure-grade steel
- » Enhancing speed, reliability, and customization of steel supply
- » Role of SSCs in Supporting EPC Contractors & Developers
- » Project-specific sourcing of TMT, Pipes & Tubes, Roofing, and Sheets
- » Consolidation of multiple steel products under one supply partner
- » Quality Assurance & Traceability - Certified supply of TMT, pipes & tubes, roofing steel, and sheets
- » Investment in regional SSC hubs near infrastructure clusters

01:15 pm - 02:15 pm

Lunch Break & Networking Session

02:15 pm - 02:30 pm

Sponsored Presentation Slot 2

02:30 pm - 03:30 pm

Session 3

Role of Steel Service Centers in Strengthening Engineering & Downstream Manufacturing (Presentations & Panel)

Discussion Points-

- » Steel Consumption in Engineering & Downstream Sectors
 - Heavy engineering & capital goods
 - Industrial machinery & equipment
 - Material handling systems
 - Electrical equipment & transformers
 - White goods and industrial appliances
 - Fabrication, welding, and assembly units
- » Cost Optimization & Working Capital Efficiency - Reduction in material wastage and yield losses and Lower inventory holding and storage costs
- » Quality, Precision & Traceability - Consistent material quality across batches and Dimensional accuracy supporting CNC, laser, and robotic fabrication
- » SSCs as Enablers for MSMEs & Tier-2/Tier-3 Manufacturers - Access to high-quality steel without large minimum order quantities

03:30 pm - 05:30 pm

Open House Sponsored PPTs under Trade Meet And Business Networking Rounds

06:30 pm - 09:00 pm

Dinner & Cocktails

Delegate Fee: INR 10,000/-
Per Person

● Please note: **18% GST applicable on all base tariffs.**

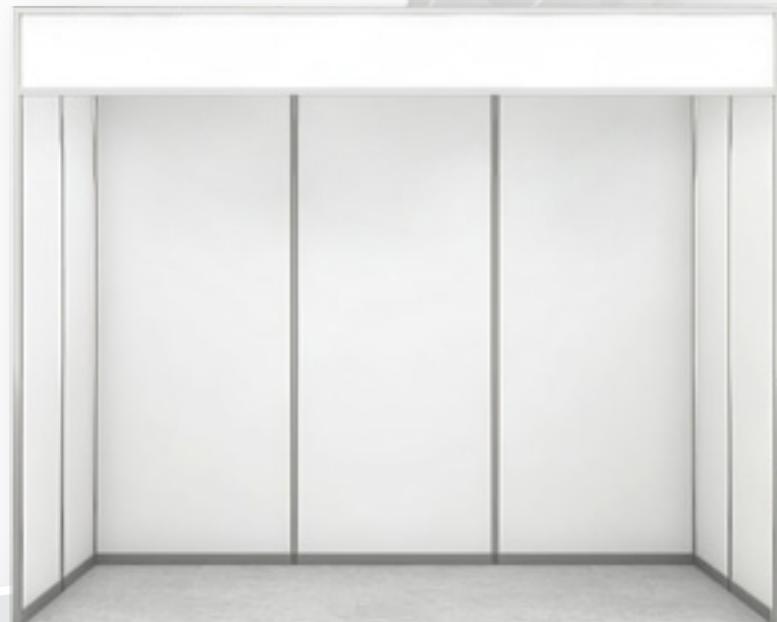

● You can make the payment by NEFT/RTGS or Payment Gateway.

Exhibition **STALL**

**2x3 Sq Mtr
Octonorm Stall**

Includes:

2 Delegate Passes
2 Chairs | 1 Table
3 Spot Lights | Facia
2 Socket Pin

Book Your Stall Now At:

INR 1,00,000/- +18% GST

ABOUT THE VENUE

Tip Top International Hotel

Pune (Maharashtra), India

Pune, with its rich historical and cultural heritage, has experienced the reign of the Rashtrakutas, Satavahanas, and Yadava dynasties. The foundation of the city's establishment was laid by Chhatrapati Shivaji Maharaj and Rajmata Jijabai. The Peshwas also made significant contributions to the development of Pune. After the downfall of the Peshwa Empire in 1818, the British took control of Pune and its surrounding areas. In 1858, after the establishment of the Municipal Corporation, urban infrastructure was developed in the city.

The Pune Municipal Corporation (PMC) was established in 1950 in the culturally and historically significant city of Pune. In the following years, particularly after the devastating Panshet flood of 1962, the corporation efficiently and diligently undertook the task of restoring normalcy.
