

Sacramental Program 2026

ENROLMENT INFORMATION

The sacramental formation of children and adults is first and foremost a family decision that is implemented by St Mary's Parish Leederville and supported by Aranmore Catholic College.

All Catholic families in the parish are warmly invited to register their baptised, school-aged children (from Catholic and non – Catholic schools) in the 2026 Sacramental Program. The program prepares children for the celebration of Penance, Eucharist and Confirmation.

To help families prepare for the celebration of the sacraments, St Mary's Parish Leederville provides, parish-based religious education classes, parent information evenings and retreats for children. The parish also provides Children's Liturgy of the Word at 10:30 Sunday masses during school terms. Contact the parish office on 9444 9624 or email at leederville@perthcatholic.org.au for registration forms.
