

On 9/2/26, our Pi Kappa Alpha Epsilon Upsilon Chapter was hit by a severe storm that caused significant damage to our fraternity property.

During the storm, a large tree fell into our backyard, completely destroying our shed and causing extensive damage throughout the yard. The shed contained many of the lawn care tools and equipment we use to maintain our property, which were also destroyed in the incident.

Our chapter house is more than just a place where we live—it is a home and gathering place for our brothers, alumni, friends, and the Gannon University community. The unexpected damage from this storm has created a significant financial burden as we work to clean up the property, remove the fallen tree, rebuild the shed, repair the backyard, and recover from the damages.

We are asking for the support of our alumni, family, friends, and community during this difficult time. Any donation, no matter the amount, will help us recover and rebuild.

Your generosity will go directly toward cleanup efforts, property repairs, rebuilding the shed and backyard, and helping us move forward after this unexpected disaster.

We are incredibly grateful for every donation, share, and message of support. If you are unable to donate, simply sharing this fundraiser would mean the world to us.

Thank you for supporting Pi Kappa Alpha Epsilon Upsilon and helping our brotherhood rebuild.

Thank you for your generosity and support
