

CLUB CRUCIBLE

CLUB CRUCIBLE HELPS YOUNG BOYS develop into the leaders and professionals our society needs, all in an atmosphere of freedom, friendship, fun, and God's Love. In this crucial transition age before high school, boys develop their minds to identify the good and the willpower to choose it. They also learn to live friendship with generosity, understanding that being a good friend means focusing on service rather than self-satisfaction. Each club meeting includes time for sports, prayer, intellectual activities, a virtue talk, and dinner.

MONTEVISTA STUDY CENTER is a supplemental education center dedicated to the academic and character formation of young men. Through academic programs, service projects, and outings, we help young men to seek excellence in their studies and to be men of service. The Christian orientation of Montevista's programs is entrusted to Opus Dei, a personal prelature of the Catholic Church.
