Our New Year's Resolution at Gerard's Lawn Care +
is to never hear a Customer say...
"What Happened to My Lawn!?"

At **GLC+**, we urge all of our customers to protect their investment with some **simple & cost-effective** steps that can help maintain the beauty of your lawn & home.

Aeration

Allows water and air to penetrate the soil and reach the grassroots

Fertilizing

Provides nitrogen & other essential nutrients for an exceptional lawn

Weed Control

Apply herbicides & other treatments to manage local species of weeds
