This is an important opportunity to come together, share ideas,
and make decisions that impact all of us.

We're making it easy and enjoyable for you to attend!

FREE dinner for all attendees - YES, free dinner for showing up!

Raffle prizes and giveaways

Here's what's on the agenda:

- Repairing our community pier
- Updating our bylaws to address *your* concerns

As a volunteer HOA board, we truly value your input and participation. Your voice and ideas help us make decisions that benefit the entire community. Let's come together to ensure our neighborhood remains a wonderful place to live.

We can't wait to see you there!

BOARD POSITIONS AVAILABLE

This is important. We need residents to fill positions or we may be required to outsource our Board to a management company, which would completely change the dynamic of our community. Consider donating a few hours a month to the HOA. Outgoing Board members will help with the transition.

Text Angie if you are interested 954-439-0310.

WE NEED YOU!
