

David R. Elliott

David Elliott's tenure in the manufacturing field began in the early 1980s, where his professional experience encompassed several disciplines to include manufacturing, procurement, customer service, product-line development, marketing, as well as sales and account management. David's vast knowledge working with both private and public enterprises is most evident within his family office holdings (www.drelliottco.com), established in 2021. D.R. Elliott & Co manages a diverse asset base including emerging industrial, commercial, aerospace, consumer technology, telecom related companies, industrial real estate, and more.

David holds the current position of President and Chief Executive Officer of WANHO Manufacturing, LLC, an industry leading high quality hardware and accessory manufacturer in the wireless telecommunication industry. WANHO is a Cheshire, Connecticut based company with manufacturing and distribution holdings in the United States, China, Taiwan, India, and Europe.
