GUIDELINES FOR PRINCIPAL, PRINCIPAL REPORTS, & PUBLICATION

1. Jim Claypool was a longtime director of the Division of Conservation. The art contest was named in his honor due to his work in educating Kentucky's youth about conservation issues.

There are two conservation-oriented contests for Kentucky students. The Jim Claypool Conservation Art Contest is for students through grade 5. The Conservation Writing Contest is for students in grades 6 through 12. **The Campbell County Conservation District has an additional category for Grades K-2.**

The Ky Farm Bureau and Ky Division of Conservation sites will NOT have the K-2 principal report; go to www.campbellkyconservation.org for ALL information. Encourage your teachers to have their students enter the applicable contest: Writing contest for grades six through twelve; art contest for grades Kindergarten through five.

2. From past experience, it is good to select the THREE best-written entries and/or THREE best art entries from your school in each category (K-2, 3-5, 6-12) by **Monday, November 21, before the Thanksgiving Holiday, for judging and so the December 1 deadline can be met.**
3. **Principal Report(s)**
 - a. Deadline is **Thursday, December 1, 2022**, for your school's top three writing entries and/or art works along with the **Principal's Writing Report** form and/or **Principal's Art Report** form(s) to be in the hands of the **Campbell County Conservation District at 8350 E Main Street (1st Floor Alexandria Court House), Alexandria, KY 41001.**
Originals are preferred but electronic entries will be accepted; email them to cccd@campbellkyconservation.org. However, County winning originals will be requested at the completion of judging for entry at the area and state competitions. Report forms are with this letter. If more than one principal report is sent from your school, please separate the forms and secure them to the winning contest entries as appropriate. Make sure all names, addresses, and phone numbers are correct.
 - b. **Include the TOTAL number of writing entries and/or artworks entered in your school's contest; NOT just the number "3" from the top three from the school.** This entry is located at the top of the form after the school information. This tells us how many students were reached from this educational program.
4. **"Take A Hike: Navigating the Trail" Publication**
 - a. The publication "Take a Hike: Navigating the Trail" may be found at <https://eec.ky.gov/Natural-Resources/Conservation/Pages/Art-and-Writing-Contest.aspx> and www.kyfb.com/federation. If you have trouble accessing these sites give your local conservation district office or Kentucky Farm Bureau office a call, or contact the Kentucky Division of Conservation, at (502) 782-6703.
 - b. Complete **rules** for both contests are found on the **last** page of the publication.
 - c. The **Contest Entry Form** is found on the last page also. **Make sure it is completely filled out and ALL signatures are included.** Attach the entry form to the back of each writing and art entry or scan and email with the entry.

EACH WRITING AND ARTWORK ENTRY MUST BE DONE BY **ONE** STUDENT.
ANY ENTRY SUBMITTED BY MORE THAN ONE STUDENT
WILL **NOT** BE CONSIDERED.
