

# Campbell County Conservation District's Backroads Farm Tour Application

**Saturday, July 15, 2023, 9:00 a.m. – 3:00 p.m.**

*The purpose of the Backroads Farm Tour is to exemplify the importance of agriculture to the community, both economically and socially. This is an opportunity to educate the non-agriculture public and county leadership and planners that agriculture is part of the county's economic engine and culture. It should be included in the policymaking and land use planning of the county, and ultimately the importance of preserving the county's agricultural land.*
