Our goal is to raise quality performance quarter horses for show and sale along with quality alfalfa hay. We raise one or two foals a year. We will be doing a 15-20 minute on-ground training demo at 11 AM and 1 PM with both young and seasoned horses. *Allow 30 minutes for this stop.*

Sonlight Ridge Farm Katahdins began in 2018. Katahdin Hair Sheep was decided on because of their ease of care (no shearing), great mothering attributes, prolificacy rates, breed versatility, parasite resistance, and hardiness. While on the farm you will meet our flock of Katahdin Hair Sheep, learn about lambing as well as the care of our sheep, see our miniature horses, Harry and his brother Willy and learn about the 4-H program.
