Owner: Linus Enzweiler

Camp Springs Vineyard is a family-owned and operated vineyard and winery located among the rolling hills and stone houses of Four Mile Road in the historic area of Camp Springs Kentucky.

The first grape vine was planted in 2005, by the Linus Enzweiler family, on the hillside across from the red barn. This field contains Vidal blanc vines. Two other fields, containing Vidal blanc and cabernet franc vines are located on top of the hill past the winery.

The winery and tasting room is an authentic post and beam carriage house barn with three floors, built by the Enzweiler family and their friends in 2008-2009. The first floor contains the winery, the second floor (with the main entrance up around the second bend) is the tasting room and store, and the third floor is an open loft available for functions.

The tasting room interior is decorated with old antiques such as the 1910 player piano, an old sewing machine, a bar made from trees taken off the farm, and many more items on display on the walls.

Grape processing equipment will be on display and a bottling demonstration will take place. Also, displayed will be an apple processor and press, with a demonstration of its use. An antique rock crusher will also be displayed

Our wines range from dry to sweet and we currently have several fruit wines. In addition, we have home-made quilts, artwork, and crafts on display and for sale.
