12 Mile Creek Winery is a family-owned and operated small farm winery established in 2016. Set in the foothills of southern Campbell County, nestled overlooking the 12 Mile Creek on scenic state Rt. 10.

The doors opened for tastings in July of 2017. The first year was challenging and there was much to learn about the wine business. 12 Mile Creek Winery now produces award-winning wines and favorites inspired by what the locals love to drink. It is a place brimming with Bluegrass beauty, charm, and hospitality, offering old favorites and a few surprising innovations.

We are the home of the Jalapeno Bloody Mary and have been making our signature Jalapeno wine since 2016. We are part of the Backroads Wine Tour; come in and we can give them information on how to obtain a passport you can have stamped to receive your free gift at the end of the tour.

We have an event pavilion we like to call the woodshed and it is available for rent. Come and explore the possibilities.

We are open Friday 5-9, Saturday 1-9, Sunday 1-6

(normal hours may vary due to holidays or special events. Please look us up on the website
