Heavy Use Area Gateway Entrance Local Cost Share Program

Program requirements:
1. The purpose of the program is to protect or stabilize heavily used livestock areas prone to soil erosion.
2. Projects must include one or more Best Management Practice (BMP) endorsed by the Kentucky Agriculture Water Quality Authority, in accordance with the laws of the Commonwealth of Kentucky. Examples include:
   - heavy use areas, animal trails and walkways;
3. A farm serial number and an Agriculture Water Quality Plan must be submitted with the application.
4. This is a cost share program (75% of project cost reimbursed up to $1,500). Participant contributions can be in the form of purchased materials and services, equipment rental, and labor.
5. Before funds are reimbursed, applicant must:
   - furnish the conservation district with receipts or other documentation to substantiate the expenses for which reimbursement is being sought.
   - receipts dated before approval letter will NOT be considered for reimbursement.
6. Projects should be completed within a year of approval.
7. Limit of one application per farm serial number per fiscal year (July 1 thru June 30).
8. All practices installed are required to be maintained for 10 years under the signed maintenance agreement.
9. Do NOT begin your practice until approval letter is received from the Conservation District.
10. The Conservation District may use your project for conservation tours and/or field days.

Applications will be accepted and evaluated as they are received. To process your application, representatives of the Campbell County Conservation District may visit your property. Projects will not be retroactive of the approval letter date. If your project is funded, committee representatives may document the progress of the project. Funds for this cost share program are made available through the Campbell County Conservation District.

Submit applications to:
Campbell County Conservation District
8350 East Main Street
Alexandria, KY 41001
