

TREE SWAP PROGRAM

Tree Swap Program

For more information:

PROGRAM DESCRIPTION: The Campbell County Conservation District, in partnership with Guidugli Landscape Supplies and Property Services, invites private landowners in Campbell County to apply for the Tree Swap Program. **One application per year (March 1 through October 31).**

PURPOSE: To help control the spread of invasive trees in Campbell County. One of the most highly invasive species, but not limited to, is the Callery/Bradford Pear Tree. The project must be carried out on privately-owned land. Please contact our office if you need assistance in filing your application.

Applications will be accepted and evaluated as they are received. Funds for this cost-share program are made available through the Campbell County Conservation District.

Mail/drop off applications to:

Campbell County Conservation District

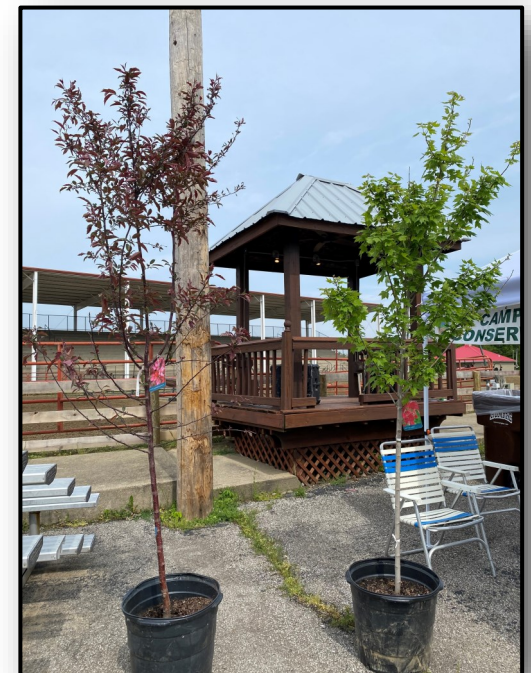

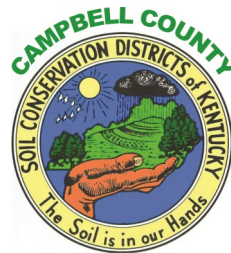

8350 East Main Street

Alexandria, KY 41001-1214

(859) 635-9587

GUIDELINES

1. The district provides tree (s) at no cost to the landowner.
2. The landowner is responsible for the costs of installation and maintenance.
3. **Limit of two trees per household. One application per year (March 1 through October 31).**
4. The applicant will be contacted concerning the status of his/her application. If approved, removal instructions, a selection of available native trees and where to get them, tree installation instructions, and maintenance of the tree (s) will be included.

Provide before picture (s) (e.g., Callery Pear) and a simple description of removal project (e.g., Remove one-two Callery Pear tree (s) and replace with one-two native trees):

Call 811 before digging.
