It's important to have a plan!

Talk with your child and come up with ideas **together**.
Fill in the chart with specific details to ensure success!

Where will your learning take place?	
What supplies do you need to be successful?	
What time period(s) will you dedicate to your learning?	
What may cause distractions? How can those be avoided?	
What classes do you need to do work for? List subjects, teachers, Google classroom codes, websites or any other important info!	
List 1-2 goals you would like to accomplish.
