

Children's Supporter -

By participating and partnering with the Southeast Regional Office of Costco Wholesale for their annual Charity Classic Tournament, you are helping hundreds of thousands of families each year faced with unthinkable challenges brought on by injuries and illnesses.

As a Children's Miracle Network Partner, every penny raised by Costco Wholesale makes a local impact at Children's Hospitals. Children's Healthcare of Atlanta is grateful to be the local beneficiary of the Southeast Region's Charity Classic. Since the beginning of our partnership, Costco has raised nearly \$20 Million for Children's Healthcare of Atlanta.

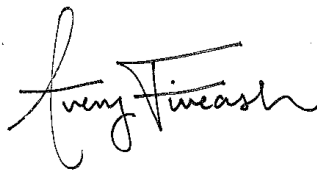

Children's Healthcare of Atlanta is the largest Pediatric System in the Southeast, and one of the largest in the nation. Serving over 400,000 children annually, Children's strives to provide the best care to every single individual that walks through our doors.

With nationally ranked programs like the Aflac Cancer and Blood Disorders Center and the Children's Comprehensive Inpatient Rehabilitation Unit, the community looks to Children's to take care of their youth throughout some of the most frightening seasons of life. In the same way, we look to the community for philanthropic support to remain the same bright beacon of hope.

This past year, we opened the doors to the Arthur M. Blank Hospital. A 19-story facility filled with promise. Children's can continue to make strides like this one because of the commitment of our partners like Costco Wholesale.

I thank you for your support by participating in this annual event, and encourage you to consider making an additional contribution to this precious cause on the day of the event.

Gratefully -

A handwritten signature in black ink that reads "Avery Fiveash". The signature is fluid and cursive, with the first name "Avery" and last name "Fiveash" clearly distinguishable.
