

*Welcome ...to the October edition of The EYE. We aim to keep residents and visitors alike up-to-date with all that is happening in this beautiful area of the Scottish Borders. Don't miss out! We'll keep an eye on diary dates and list them in these pages so you can plan your month ahead.*

Progress!

## Giants to stride among us

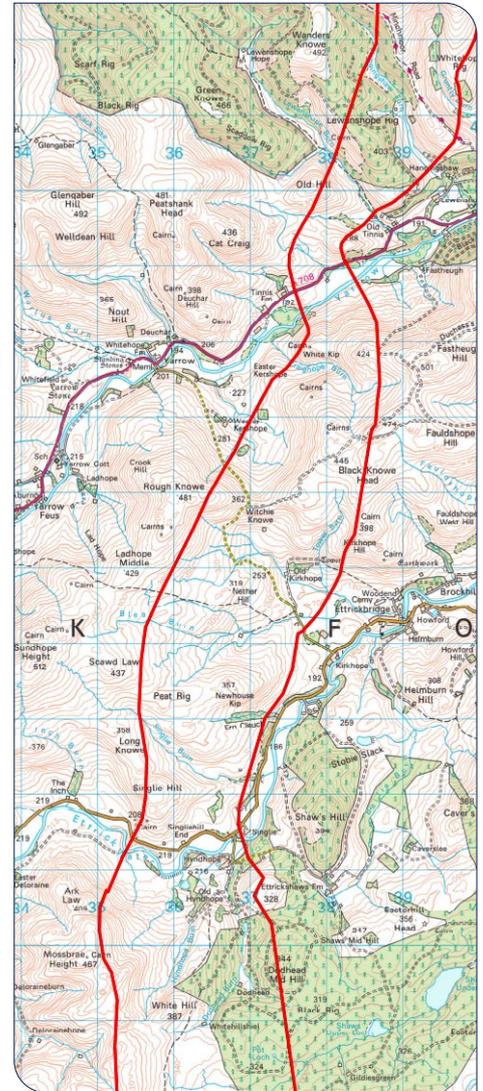

Disturbing news this month as Scottish Power and Energy Networks (SPEN) notified the community that a proposed new steel tower overhead power line would straddle both the Ettrick and Yarrow valleys. This new 'Cross Border Connection' will carry power from a new Galashiels sub station towards a point on the Scotland -England border, south of Newcastleton. The proposed overhead high voltage line (400kV) would be supported on 50 meter high steel lattice towers, 200 – 300 meters apart.

SPEN have identified their 'preferred route' which is shown on the map on the right. The pylon corridor crosses the hills above Yarrowford, then goes over the Swire above Kirkhope, runs up the Ettrick valley to East Deloraine/Hindhope where it crosses the river and goes over the hills towards Drycleuchclea and Redfordgreen. It then goes over the Borthwick Water valley via Milsington on its way to cross the A7 south of Hawick, where it will go to a new 'Teviot' substation, before travelling onwards to Newcastleton and the English

border. The exact route within the corridor is not yet determined.

The first round of public consultation on this launched on the 23rd September and closes on the 28th October. This will be followed by a more detailed design with a second round of public consultation planned for 2026. SPEN will be meeting the public and showing the plans in Kirkhope Hall on Thursday 3rd October 10am-1pm and in Yarrow Hall from 3pm to 7pm. The community council will also be hearing from SPEN at their meeting in Kirkhope Hall on Monday 7th October at 7.30pm.

Progress!

## Another award on the way perhaps...?

Great News! The Kirkhope Steading development has been shortlisted for a prestigious SURF (Scotland's Regeneration Forum) award in the Housing and Regeneration category where it is up against two other innovative housing developments, one in Govan and the other on the island of Colonsay.

These awards pick out the best projects which "showcase success in responding to regeneration challenges in communities across Scotland" and have been running for 25 years. The winner will be announced at an Awards Dinner in Glasgow in December – fingers crossed !

*Valley residents and invited officials expressed their approval of the converted farm steading at its official opening in the summer*

## A' bye for another year...

There was a great turnout of stock and horses as well as the traditional craft and trade stands at last month's 102nd Yarrow & Ettrick Pastoral Society Show held at Carterhaugh on the Bowhill Estate.

The sun blessed the opening hours of the event, but even the grey drizzle that followed didn't manage to dampen the spirits of those who attended. Talent, showmanship and business acumen were rewarded though the usual presentation of awards for the various classes and

all left the showground at the end of the day both entertained and educated in equal measure.

◀ Smile for the camera! Tasha Crockatt is photo bombed by horse Sammy at the red rosette presentation.

▶ We've cracked this three-legged malarky! These two are way ahead of the competition!

## Hurray! A safe Kirkhope - Ettrickbridge walkway is on the agenda at last

The Ettrick and Yarrow Community Development Company has been asked to look at an off-road path between Kirkhope and Ettrickbridge so that walkers no longer have to dodge traffic on the dangerous bends.

We'll be sending out a survey soon to gauge community support for this and to help raise the necessary funding. The path would go through the four fields above the road

starting at the junction with the Swire road and coming out on to the straight leading down to the village opposite the Manse. The proposal is that it would be suitable for bikes, prams, walkers and possibly horses with an unbound whin dust surface.

It would also be fenced wherever necessary to keep users safe from any livestock in the fields.

The proposed path (red line) will run closely parallel with the B7009

## Coffee to go? 'Neigh' problem for these young entrepreneurs!

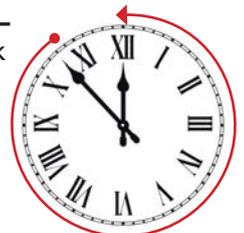

When young Toby Buchanan from Ettrickbridge heard that his late granny's old horse trailer needed to be rehomed (or scrapped) he had a bright idea! Why not convert it into a mobile coffee- and- snack bar that could be toured around local events?!

With the help of father Alex – and in secret from the rest of the family – they set about transforming it over seven months into 'Granny Dee's, a smart new business venture.

Now with three successful events under their belt including last month's Yarrow Show, Toby and his brother Josh are available for hire and looking to provide top quality coffee and refreshments for any gathering (only on a weekend or during school holidays.) They are licenced and insured to trade so give them a call on **07702 343 589** and support these young entrepreneurs!

## Timely reminders

On **October 27th** – the clocks go back an hour at 2am in the morning (so really Saturday night)

**SCHOOLS OUT!** The **October school break** starts on Friday 11th and pupils go back on Tuesday 22nd October.

# Save £££s with the Valleys Oil buying Group!

Ettrick and Yarrow (E & Y) Oil Group serves the residents of the Community Council designated area. It was an idea which I put forward at a public meeting held in the valleys in 2011 about development of community activity.

There was initial interest from around 10 households. So I undertook research with several oil delivery companies and chose one company (Johnston Oils) on the following basis:

- Helpful and cooperative response to enquiry
- Scottish based independent company with local depot
- Consistent pricing lower than competitors
- Number of available and suitable tankers

All group members give me their full postal and email address – this confirms their willingness to be part of the group.

Postal addresses are then passed to the oil company administrative office – members are required separately to give their payment details to the company. Payment is an individual arrangement and can be by card on phone, by invoice or by monthly direct debit, whichever is most suitable to the member.

I send out an email to ask for quantities required – usually once a month - and the total is given to the oil company. The discount is based on the

*Report by Lindsay Lewis*

total quantity ordered (and sometimes a bit of haggling from me!).

Delivery is usually 4/5 days after order and takes account of particular customer requirements e.g. small tankers to get up farm tracks; filling mobile tanks off site etc.

From its early beginnings there are now more than 140 members and with a fluid population there is always work to do to keep the list up to date. The monthly order has now increased substantially gaining a better discount

averaging around 7 pence per litre. **In total over the years the accumulated savings have reached well over £300,000!**

In addition, keeping group membership to a defined geographic area and with orders at a specified time in the month the number of tanker journeys in to the valleys is kept to a minimum which reduces pollution with consequent benefits for the environment.

If you are not part of the oil group but wish to join you can contact me at: email: [lindsay@hartleap.co.uk](mailto:lindsay@hartleap.co.uk) or telephone: 01750 82363.

## Friends of Ettrick Marshes

There has been lots happening in the Ettrick Marshes this year with ranger Tommy Bryson (*pictured below*) doing a great job reinstating boardwalks, strimming and leading guided walks. The

paths are getting more use than ever which takes a lot of maintenance.

There is also a lot more replanting of native broadleaves to be carried

out with more tree saplings arriving this winter. In addition, there are also plans being developed for more paths, commissioning interpretation boards and maps, designing leaflets, editing some of the fantastic trail camera footage of red squirrels, and fundraising ...just to mention some of the things that you could help with!

If you would like to get involved as a volunteer to help shape some of these tasks, please come along to a Friends of Ettrick Marshes meeting on Monday 21st October in the old Ettrick School at 1pm.

## Annie get your gift voucher...

Annie Coltherd was the winner of our Yarrow Show Anagram Competition – All Things You Can Find at the Yarrow Show. She is seen here with her prize – a gift voucher for a meal at the award-winning Cross Keys Inn, Ettrickbridge.

EYCDC had a very successful day at the Show despite the drizzly weather. Plenty of visitors dropped in to see our stand and we picked up 10 new members, bringing our total membership to 320.

## Come on kids – get your skates on

Do you have children who would love to learn to ice skate? Border ice rink skating club's Open Day is on Sunday 6th October, 12.15pm at Kelso Ice Rink.

It's the perfect day to try out ice skating before lessons start the following week. Friends and family are welcome to join children on the ice for this session and skate hire is available.

There will be tutors on the ice to help your children during this session so don't worry if they have never been on the ice before.

No booking required, for further info about the club, contact Alison Dagg on 01573 223347 or at [bordericeskatingclub@talktalk.net](mailto:bordericeskatingclub@talktalk.net).

## Caution: imaginations at work!

Children get down to the important business of play at the weekly playgroup held on Friday mornings in Kirkhope Hall, Ettrickbridge.

## The Yarrow smart squad

Yarrow Primary pupils lined up for the camera this week in their smart new Friends of Yarrow funded PE kits! Thanks go out to everyone who has supported the FOY fundraisers over the last year, without whose assistance the 'squad' wouldn't be quite so 'smart'!

The Kirkhope Hall staging last month of 'El Douglas', the new play produced by the HotTrod Theatre Company was a sell out success.

The story of Sir James Douglas - the 'Good Sir James' to the Scots, and the 'Black Douglas' to those south of the border is a story recognised in Southern Spain but not so much here. Every year, in the Andalucian town of Teba, an event is held in honour of the heroic deeds of Sir James Douglas who fought and died there in the Battle of Teba in 1330 whilst en route to the Holy Land with the embalmed heart

of his friend, Robert the Bruce. The show brings this dramatic unfolding to a modern day audience.

If you missed the Ettrickbridge venue, you can catch the play again at the Victoria Halls, Selkirk, on Friday 1st November, 7.30pm. Tickets £15 from Scott's Selkirk shop or via the website: [www.hottrodtheatre.co.uk](http://www.hottrodtheatre.co.uk)

Our Friends of Yarrow are planning ahead for the festive season – and are encouraging others to do so as well! A Christmas Fayre is to be held on Sunday 10th November in Yarrow Feus Hall and organisers are currently inviting anyone who would like a stall to get in touch to book a place now.
