August Newsletter 2024

Dear Family,

Harvest Fest is scheduled for Saturday, September 7th, from 10am - 2pm. Last year we had more than 500 guests attend the event and we had 70 volunteers who helped. This is an incredible opportunity to show the love of Christ to our community, both with actions and with words. Hopefully, we learned some things from last year which will make it a little easier this year. However, it will still require a lot of work and a lot of workers. We plan to hold a meeting on Sunday, August 18th, after services. It will probably take an hour or so. We are hoping most of the volunteers can be there and that it will help us all have a good understanding of things ahead of time. We welcome, and need, the help of our older youth.

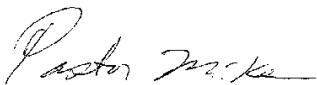

The Steering Team is trying to decide what attractions we will be able to have. In order to do this, we need to know how many volunteers to expect. If you plan to help, PLEASE go ahead and let us know. David is wanting to set up a schedule to make sure each attraction is covered for the necessary time. The event will be 4 hours long. It's our desire that each volunteer take an hour break throughout the day. While there will be a lot to do the day of the event, there will also be a lot to do leading up to the event. If you are interested in helping with prep, please let a staff member know.

Most of the things we had last year we plan to have again this year and are hoping to add a couple of other events for the children. Please pray specifically:

- For us to be seeking divine appointments to minister God's love to the guests.
- For people to show up recognizing their need for the Lord.
- For help with preparation and organization.
- For plenty of volunteers.
- For good weather.
- For the anointing of the Holy Spirit to be present during the event.
- **For wisdom in the most effective way/s to share the gospel with our guests.**

If you have any questions or suggestions, please feel free to share them. I look forward to us serving together for the glory of God and redemption of people.

I love you,

Pastor Mike
