

# Carolyn Dale Newell

INSPIRATIONAL SPEAKER

Carolyn knows what it is to live with blindness, but she calls her disability a gift from God. She has lived with severe chronic pain and a multi-level spinal fusion, which rocked her faith. She has authored seven books including her new devotional journal, *Faith That Walks on Water: Conquering Emotional Bondage with the Armor of God*. Carolyn loves digging deep into Scripture and discovering truths to share with others. She resides in the Blue Ridge Mountains of Virginia with her husband, Tim and their fur baby, Carolyn's guide dog, Iva.
