

Since we have a guest speaker today I don't plan to spend time going over this. Please read this carefully and come prepared. If you have any questions after going through this, reach out to me at 540-968-1360. Thanks, Pastor Mike

Purpose behind this team: This is one of the tools which the Holy Spirit may use to help us move forward in a healthy way as we transition. The two other teams in place to help with this are the Prayer Team and the Leadership Team.

The Think Tank Team

- 3 places in Proverbs says in the multitude of counselors there is safety. (11:14, 15:22, 24:6) The Holy Spirit may reveal something which we believe may be very beneficial to the entire church.
- You are an important part of the body and God has given you gifts. We all need to come together, in humility, as part of the team to serve together for the glory of God. This is an opportunity for you to bring your gifts and ideas to the table.

Guidelines for the Meeting

- We plan to keep it to no more than an hour.
- I'm asking you to come to the gathering with ideas written down, or typed out, on another paper.
- After next Sunday's meeting we will look over what is shared and then go from there.

Reflection questions for you to answer.

NAME _____

Feel free to use additional paper if needed.

- 1) List some things you like about Living Stones.

2) What are some areas which you would like to see us try to develop?

3) What do you think are some of your areas of strength which the Lord can/could use? Don't think listing them is prideful. The Lord gave them to you. Please give this serious thought.

4) Write down anything else you would like to share with us.
