Message from our JMIT President

***"And let us not grow weary of doing good, for in due season we will reap, if we do not give up."
Galatians 6:9 (ESV)***

Greetings JMIT Family,

As we move through this season of service, I am continually reminded that the work we do is not in vain. Whether packing supplies, mentoring a student, raising funds, or showing up behind the scenes, each act of obedience contributes to God's greater purpose. This month, we have seen firsthand how faith paired with action continues to open doors and transform lives.

Thank you for your unwavering commitment to serving with excellence, humility, and love. I pray that as you read this newsletter, you are encouraged by the impact we are making together; and inspired to continue pressing forward, knowing that God is faithful to bring the increase.

With gratitude and purpose,

Ayana Mackey
President, Jamaica Missions Impact Team

Impact Story Spotlight - Danielle

This month, JMIT had the opportunity to support Danielle Small, a dedicated student currently enrolled in a Practical Nursing program. Danielle is four months into her one-year course and is working diligently toward a future in healthcare—driven in large part by the encouragement of her grandmother, who raised her and now navigates life in a wheelchair while continuing to champion Danielle's success.

Through the generosity of our donors, Danielle received essential nursing supplies to support her training, including a blood pressure machine, blood glucose monitor, thermometer, stethoscope, first aid kit, nurse apron, and nurse watch. These tools are critical to her day-to-day learning and hands-on practice as she prepares for a career dedicated to caring for others.

Your support is helping remove barriers and turn determination into opportunity. JMIT will continue to follow Danielle's progress in partnership with Principal Row at Riverton Meadows, ensuring accountability, encouragement, and continued support as she moves closer to completing her program and becoming a success story in her community.

Thank you for investing in students like Danielle. Your generosity is changing lives, one future at a time.

"For I know the plans I have for you," declares the Lord, "plans for welfare and not for evil, to give you a future and a hope."

— Jeremiah 29:11

Heavenly Father,

We thank You for the work You are doing through the Jamaica Missions Impact Team and for every life touched through faith in action. Thank You for the hands that serve, the hearts that give, and the resources that make transformation possible.

We ask that You continue to guide our mission, bless those we serve, and strengthen those who labor in Your name. Grant wisdom for the days ahead, unity in our efforts, and hope for every future we are helping to shape. May all that we do bring glory to You and reflect Your love, grace, and purpose.

We place our plans, our work, and our impact in Your hands, trusting You to lead us forward.

In Jesus' name, Amen.
