Impact Ministries, Jamaica Missions Trip #2 Aug 2019

THANK YOU!!! THANK YOU!! THANK YOU!

THANK YOU for YOUR support!

On August 9th, 2019, the Jamaica National Children's Home caught on fire. You asked how you could help..... Your donations purchased new school uniforms and we replaced the school supplies and book bags....THANK YOU!!!

A little history.....

Our missions team happened to be in Jamaica Aug 5-12, where several of our team member spent hours each day at the Children's Home ministering to the children in songs, crafts, games, bible stories, and testimonies. We gave away toiletries, and bag back supplies. After we left, we got report of a fire.....

The fire gave national exposure to the Children's Home. So government officials are committing to rebuild the facility and replacing all of the lost items. There is still a great need, but all children are safe and temporarily relocated.

Prior to this, God led us to minister these themes to them for five days:

- Day 1. When life is unfair, God is good.
- Day 2. When life is scary, God is good.
- Day 3..When life changes,, God is good.
- Day 4. When life is sad, God is good.
- Day 5. When life is good,, God is good.

The fire happened on the night of day 5. So the children loudly sang these messages with happiness while the firemen put out the fire!!! No person was harmed!!!

For every prayer....for every donation...whether cash or in kind....the children of Jamaica are grateful. We are grateful. Thank you for your sacrifice!!!

Some of your donations also went to Mary's Child, a Mustard Seed organization and rescue home for abused teen mom's and their babies.
