Greetings!

February 24, 2025

The Lakeview Swimming Pool, a beloved community gem since its construction by the Lakeview Lions Club in 1952, faces an uncertain future due to financial challenges. The Town of Lakeview has announced it can no longer support the pool beyond summer 2024, leaving many residents concerned about losing this vital resource for youth and families in our area.

In response to this crisis, Charley Tracy, a Town Council member, spearheaded the formation of a dedicated committee in October 2024. This committee comprises nine passionate community members, bringing together expertise in grant writing, project management, business operations, education, and public service. Together, they established the Friends of Lakeview Community Pool (FLCP), a nonprofit 501(c)(3) organization with an unwavering mission: to ensure that the Lakeview Swimming Pool remains open, operational, and sustainable for current and future generations.

The Town of Lakeview's financial reports show an annual payroll of \$71,000, operational costs of \$32,000, and \$30,000 needed for repairs and maintenance. Total revenue from pool passes, lap swim, swim team activities, and aerobic classes is approximately \$33,000, leading to a deficit of \$100,000.

Without immediate action, the Lakeview Swimming Pool will not open in summer 2025. To prevent this loss, FLCP is seeking to secure funding through sponsorships and grants for essential infrastructure, operations, and staffing, estimating total needs of \$100,000 to \$135,000. It is imperative to have community support in order to secure grant funding for long-term sustainability.

Please join us in preserving this invaluable community asset. Your generous contributions—whether small or large—will significantly impact the pool's future and ensure it remains a source of joy for families and youth for years to come.

Sincerely,

Friends of Lakeview Community Pool

SPONSORSHIP PACKAGES

LIFE RAFT

\$10,000

- Featured as Partner on Website
- Social Media Highlight x 7
- Recognition on radio and in all newspaper press releases and ads
- Large Logo displayed at pool for 2025 season
