

ALANO CLUB OF EL CAJON

Our community mission is to provide and maintain a safe, clean, and sober environment for individuals in 12 Step and other Recovery programs, as well as a place for their families, to gather for support, education, and personal growth.

The Alano Club of El Cajon has been facilitating recovery from alcohol and drugs in the same location since 1966. We are a **non-profit 501c3 organization** dedicated to aiding those souls seeking freedom from addiction.

In 2000 the Alano Club of El Cajon took out a mortgage to replace the building that we lost in a fire. For us to continue to offer this essential service to the people that need us in East County, we are asking for the public's **HELP**.

We never imagined when we started working in Recovery that we would become such an active part of the community. That both the courts and local businesses, would look to and count on us to restore individuals and future employees to their maximum potential of service to the community and the people they may help.

The Alano Club has become an important cog within the East County infrastructure, supporting all of the courts housing requirements by providing meetings and documentation for the hundreds of people placed by the courts in our city.

The ripple effect of even one recovered life is felt far and wide in our community, by people getting off the streets, to become gainfully employed, and reconnected with their families.

We have the absolute pleasure of seeing these things on a regular basis at our club!

Now with the current conditions of our community and the world, we are threatened with the potential loss of our club that has served so many all these years. As a business person or community leader, in East County WE NEED YOUR **HELP!**

In the meantime, we will continue handing out books and helping people to find that **There is a solution** even in these confusing times.

THANK YOU IN ADVANCE,

The Alano Club Board of Directors and our members
