SPRING SEASON HAS SPRUNG

A MESSAGE TO OUR TEAM PARENTS:

we encourage you to support your daughters in sharpening their stick skills at home! Whether it's cradling, ground balls, or wall ball every bit of practice counts.

If a wall isn't available, bouncing the ball off the ground is a great alternative.

Need a ball? We're happy to lend one!

Remember, you are your daughter's biggest cheerleaders.

Your encouragement goes a long way in helping her grow into a strong, confident player both on and off the field.

Keep cheering her on!

Why Your Child Should Fall in Love with Lacrosse

At its core, girls lacrosse is a sport that offers challenge, excitement, and community. Whether your child is an experienced athlete or just getting started, lacrosse provides endless opportunities for growth, learning, and connection. It's a sport that combines athleticism with creativity, allowing players to express themselves in new ways every time they step on the field.

So, what are you waiting for? Get your child started in lacrosse today! With the sport's explosive growth, increasing opportunities, and powerful impact on young athletes, there's no better time to get involved.

We can't wait to see where lacrosse takes your family!
