Igloos can be more than 100 degrees warmer inside than outside. They're also warmed entirely by body heat. Since fresh, compacted snow is approximately 90 to 95 percent trapped air (meaning it can't move and transfer heat) it's a great insulator. Many animals, such as bears, dig deep holes in the snow to hibernate through the winter.

BBQ CHICKEN GRILLED CHEESE

Ingredients:

BBQ Chicken:

- 2 tablespoons olive oil
- 1 small red onion, thinly sliced
- 3 cloves garlic, minced
- 2 ½ cups shredded roast chicken
- ½ teaspoon paprika
- 1 tsp Worcestershire sauce
- 1 cup BBQ sauce
- 12 slices Havarti cheese

Garlic Butter Bread:

- ¼ cup butter
- 2 cloves garlic, minced
- 2 teaspoons parsley, minced
- 12 slices sourdough bread or sturdy white bread

Directions:

Heat oil in large skillet over medium heat. Cook onions until soft. Add garlic and cook about 30 seconds. Add shredded chicken, smoked paprika, Worcestershire sauce, and bbq sauce. Stir and cook until heated through.

Add butter, garlic and minced parsley in a medium bowl. Microwave until melted. Lay out 12 slices of bread. Spread butter mixture over each piece.

Turn each over and 6 of the bread slices with 6 of the cheese slices and the bbq chicken mixture. Add remaining cheese over the top of the chicken and top with the remaining 6 slices of bread.

Set buttered sandwiches in a large non-stick skillet. Place over medium heat and cook until bottoms are browned, 3-5 minutes. Turn over, reduce heat to medium-low and continue cooking until the bottoms are browned and the cheese is melted, 3-5 minutes longer.
