## COCONUT LIME Salt Scrub

**Materials:**

- 2 limes
- 1 teaspoon lime juice
- 1 cup Epson salt or coarse sea salt
- 1/2 cup solid state coconut oil
- 1 teaspoon coconut extract

**To make:**

In a small bowl use a micro zester grater to zest the green skin of your limes, making sure you are only removing the outer green.

Cut one of the limes in half and squeeze out 1 teaspoon of lime juice. In a medium mixing bowl stir together the lime juice, salt, coconut oil and coconut extract.

Gently stir in the lime zest to the coconut mixture and be sure to mix well. Store in an airtight glass container.

The origins of the wearing of **green** clothing in the U.S. on St. Patrick's Day date back to the 19th century, when waves of Irish immigrants came to America looking for better job opportunities, especially after the Great Famine of the 1840s-50s, and began wearing **green** and carrying Irish flags along with American flags as a point of pride for their home country.

- 1/3 cup vegetable oil
- 1/4 teaspoon Kelly green gel food coloring
