Loaded Baked
Potato Salad

Ingredients:

1 lb raw bacon
2 lbs red potatoes
1/2 cup chopped green onion
1/2 cup shredded sharp cheddar cheese
3/4 cup sour cream
1/2 cup mayo
1 tbs minced fresh Dill Weed
Salt
black pepper

Directions:

Bacon:

Either pan fry or cook at 400° for 15-20 minutes on a lined cookie sheet.

Potatoes:

Rinse potatoes and place them in a pot.

Cool cooked bacon until it's easy to handle and crumble or cut into small pieces.

Fill the pot with cold water, enough to cover all the potatoes, and season with salt.

Bring the pot to boil and lower the heat to medium.

Cook until potatoes are tender. (You can stick a fork into the middle of a potato to test it.)

Drain off water and let potatoes cool to room temperature.

Prepare Potato Salad:

When potatoes cooled enough to handle, chop them into about 1/2-inch cubes.

Combine chopped potatoes, crumbled bacon, diced green onion, shredded cheese, dill weed, mayo, sour cream, salt, and pepper together until fully coated.

If you have a positive attitude and constantly strive to give your best effort, eventually you will overcome your immediate problems and find you are ready for greater challenges.

Memorial Day is an American holiday, observed on the last Monday of May, honoring the men and women who died while serving in the U.S. military. It was originally known as Decoration Day. It originated in the years following the Civil War and became an official federal holiday in 1971.

Take your risks now. As you grow older, you become more fearful and less flexible. Try to keep your mind open to possibilities and your mouth closed on matters that you don't know about. Limit your 'always' and your 'nevers.' Continue to share your heart with people.
