3 COOL TRICKS with Iced Tea
*at less than
1¢ a glass!*

There's no better summer drink than iced tea. And for downright refreshing goodness, you just can't beat A&P's famous blends! They have richness and flavor that survive melting ice. That's why they're favorites the nation over. Yet A&P Teas cost far less than you'd expect...and one of the three famous blends is sure to fit your taste and purse. All three have the bouquet, briskness and full-flavored goodness that mean...iced tea at its exhilarating best!

GINGER ICED TEA
For zesty tea, combine equal parts of ginger and lemon juice. Add ice cubes and serve over cracked ice.

MARMALADE TEA
Use one to two teaspoons of marmalade and one teaspoon of tea for each cup. Pour boiling water over marmalade and tea leaves in a pitcher. Stir or shake well. Serve over cracked ice.

SPICED ICED TEA
To fix whole classic tea, whole all, steep in water for five minutes. Pour over five to six teaspoons. Pour over three to four cups of water. Stir or shake well. Serve over cracked ice. Serves five to six servings.
