## MEMORANDUM

**To:** Whom it may concern  
**From:** Santee Sioux Nation Executive Council  
**Date:** 11/13/24  
**Re:** Hunting on old Jessen property

The Santee Sioux Nation executive council had previously made the decision that the newly purchased land (previously known as the Jessen property), can only be hunted on by **Santee Sioux Tribal members ONLY!** This is being established to allow SSN Tribal Members hunting ground without overcrowding. Anyone in violation of this is subject to legal action for trespassing. If there are any concerns in regards to non SSN Tribal member hunters on this land please contact law enforcement and the game and parks officer Don Lapointe Jr.

A handwritten signature in blue ink, appearing to read "Alonzo Denney". The signature is fluid and cursive, with a large loop at the end.
