ATTENTION:
TRIBAL MEMBERS OF THE SANTEE SIOUX NATION

The Santee Sioux Nation Tribal Council understands the economic hardships that have plagued the nation and all of our Tribal members the past few years and especially today with rising prices in food, fuel, utilities, clothing etc. Every single one of us have been affected in some way. To hopefully help ease some of these hardships the Santee Sioux Nation will be issuing a \$500.00 payment to all tribal members and pending enrollment applicants as of September 1st 2022 from the ARPA fund. Details and timeline of disbursement of funds are being worked on at this moment and everyone will work quickly as possible to get this payment out. Please be patient and we will inform you all when payments will be issued, soon. Thank you
