TEA PROGRAM

AMENDMENTS TO THE TEA APPLICATION!!

If you are requesting assistance for a Doctor's appointment or require a consultation, a copy of the appointment card showing the date and time on it will be needed before assistance can be given.

If you are referred from the Santee Health Center whether it is for medical or dental they can assist with gas and possibly a room if you will be staying in Sioux Falls, SD.

The Clinic can also schedule transportation from the CHR Program. They require 24 hour advance notice.

The TEA application does state what TEA can assist with these funds for propane, electricity or a water bill.

These are for emergency situations.

On the TEA applications there are the name of the Committee members if you have any questions.
