PART 1 - FACE BASE APPLICATION

Clean Face

Apply Concealer under eyes, around nostrils and dot any blemishes or spots

With a wet cosmetic sponge, work into the skin

Apply Foundation to forehead, nose, cheeks and chin.

Blend with wet sponge to get an even look

Seal face with Pressed Powder - apply with Powder Brush

PART 2 - EYE APPLICATION

Underline bottom of eye with liner

Do the same for top of lid - starting from the outside of the eye, working to the inner corner, dark

Apply lightest shadow (highlighter) on the whole eye up to the brow as your base

With the darkest shadow, apply to crease of eye starting from inner eye to outer edge

Blend in with shadow brush

Apply Mascara

PART 3 - CHEEK APPLICATION

Apply brush to upper cheekbone

Blend in using your Pressed Powder and Powder Brush

PART 4 - LIP APPLICATION

Outline lips with liner - Nice & Fine

Seal with Pressed Powder

Apply Lipstick with Lip Brush
