“Everywhere We Go – People Want to Know – Who We Are – Where We Come From – So We Tell Them”

The purpose of the 101st Airborne Division Association is to preserve the memory of those who have served and to honor those who now serve in the 101st Airborne Division; to support and enhance the fame and glory of the Division; to maintain and strengthen the bonds of comradeship that have distinguished the members of the Division; and, to perpetuate the SCREAMING EAGLE spirit as to heritage and tradition for future generations.

Our Association is a nonprofit, apolitical organization established for the mutual benefit of the members without restriction or discrimination based on age, sex, religion, ethnic group, national origin, status, handicap or disability. It is organized as a nonprofit 501(c)19 of the US Internal Revenue Code, incorporated under the laws of the State of Kentucky and operates in the State of Tennessee.

Unlike other veterans' organizations that have no ties to the active military, our association maintains a close relationship with the 101st Airborne Division. Our Association Office is on Fort Campbell. Our Association participates in division events, encourages active duty soldiers to participate in association events, encourages and supports active duty soldiers to join and to establish chapters, and provides financial assistance to needy active duty soldier families through the “Screaming Eagle Support Fund.”
