Book of the Week

The Squirrels Who Squabbled - following on from Pumpkin Soup, this story shows what happens when Cyril and Bruce struggle to get along. They learn about teamwork, problem-solving and the importance of kindness. All qualities we are helping the Children to develop in their play And relationships.

Halloween Stay and Play

Tuesday 21st October, 10:30-11:45am

All parents, carers and children welcome. Messy play, spooky songs and autumn crafts.

👉 Please tell us if you'll be attending, or if you'll bring a child who doesn't usually attend on Tuesdays.

Diary Dates

Halloween Stay & Play - Tuesday 21st October, 10:30-11:45. All parents and children welcome!

Last day of term - **Friday 24th October.** We return on **Monday 3rd November.**

Curriculum Pillar Focus

Excellent Communicators - the children will be learning how to express their ideas, solve problems and use words kindly during play.

Curious Learners - we are encouraging curiosity as they explore the world of squirrels, ask questions, share discoveries and think about how animals work together to find food and stay safe. We will be making our own squirrel food and talk about why squirrels store food during autumn, helping children understand how animals prepare for the colder months.

Scrapbooks - Home Learning Link

Your child's scrapbook is always available at **Drop & Discover**. You can also ask to take your child's scrapbook home at any time. Please add anything that celebrates learning at home (photos, drawings, ticket stubs, "wow" moments, new interests). This really strengthens our home-school partnership and helps us plan meaningful next steps. Thank you!

Home Link - Squirrel Spotting Adventure! This week, the children will be making some special squirrel food to take home. We'd love them to leave it in their garden, on an outside windowsill, or during a walk in the park. Maybe draw a picture of what they see for their scrapbook.
