

# This Week in Preschool.....

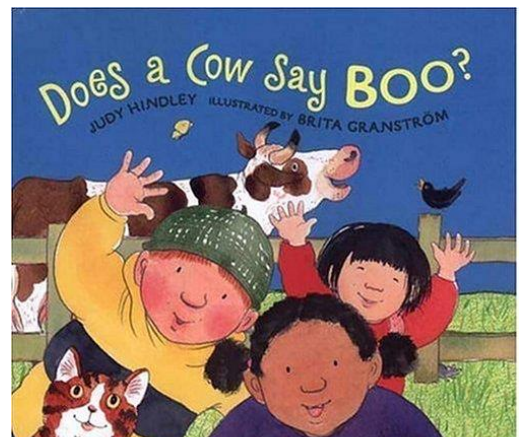

Our theme this week is all about what lives on the farm as well as looking at farm animals and their babies. We also have some exciting visitors coming to see the children in Preschool.

We will be reading the book 'Does a Cow say Boo?' as it will encourage us to spot all the different animals and their sounds as we read the story.

We will be enjoying farm theme activities as we make some woolly sheep, match animals and their young and creating our own duck pond

For snack we are going to be trying a range of foods that are grown on the farm.

Word of the Week

## Boo

Special Visitors

We have some baby lambs coming into Preschool on Wednesday 7<sup>th</sup> May. If your child is not in Preschool, you are welcome to come and see our visitors. The lambs will be in Preschool from 11am

School Leavers

We now have some planned dates in the diary for children to visit school. We are going to have to split our children so some children will go on Wednesday 7<sup>th</sup> May and some will attend Wednesday 14<sup>th</sup> May. If your child does not attend a Wednesday session they can meet a staff member at school. Please let me know if you will be meeting us at school. Thank you.
