

This week, we are heading deep into the jungle as we learn all about the wild and wonderful animals that live there! From swinging monkeys to stomping elephants and slithering snakes, the children will explore the sounds, movements, and habitats of these animals. We will use songs, stories, and role play to bring the jungle to life, helping children build their understanding of the natural world while developing language, imagination, and confidence.

Book of the Week

Alongside our jungle theme, we are enjoying the colourful, heartwarming story of "Giraffes Can't Dance" by Giles Andreae. This tale celebrates being yourself, trying new things, and finding your own rhythm, perfect for supporting children's confidence and creativity.

EYFS changes - please see attached information regarding changes from September 2025.

Pre -School Activities

Small world tuff tray watering hole

Cargo Net and Den Building

Animal Face Masks

Animal Dance Game

Giraffe Height Chart

Reminders

As we know the weather can be a little unpredictable, please apply sun cream and send a sun hat even if it seems a little gloomy first thing - thank you.

Home Learning Idea Use toy animals, blocks, leaves and boxes to create a jungle scene - can your child retell Gerald the giraffe's story or make up their own?

Diary Dates: Friday 18th July - End of term celebration

Wednesday 3rd September- Pre-School reopens

Committee We are currently looking to appoint a new Chair of our Pre-School Committee. This is a voluntary role and a vital part of helping us continue to grow and thrive. If you or someone you know may be interested in supporting the setting in this way, please speak to a member of staff or email us for more information.
