Week of - 22nd September 2025

Book of the Week

Ruby's Worry - we are exploring feelings and talking about how sharing worries helps them feel smaller.

Curriculum Pillar Focus

Kind & Respectful Friends: children are learning about kind hands and gentle words with the help of our pre-school friend, "Hoot".

Independence: We are encouraging children to put on their own coats and wellies as autumn weather begins.

Committee

We are look for new committee members and a new chairperson. A letter from the committee has been sent out separately. Please get in touch if you would like to join or for more information.

Drop and Discover

The children's scrapbooks are underway and filling up with their learning and special moments.

Parents will be able to look through their child's scrapbook during Drop and Discover sessions, which start 22nd September. Parents are invited to stay for the first 10 minutes of drop-off to peek at their child's scrapbook, see what's set up in the environment, and share a moment together before the day begins.

Scrapbooks can also be taken home at any time, to share with families or add special memories from home.

At Home Ideas

Oral health focus: Brush teeth twice daily for 2 minutes - make it fun with a song! (Search YouTube for "2 minute toothbrushing songs" to find some great options).

Count conkers or autumn leaves on a walk to support early maths.

Diary Dates

Halloween Stay & Play - Friday 24th October, 10:30-11:45. All parents and children welcome!

Last day of term - **Friday 24th October.** We return on **Monday 3rd November.**
