

PARENT LETTER FOR NON-PRICING PROGRAMS

Dear Parent/Guardian:

Date: _____

We participate in the Child Care Food Program (CCFP), which provides reimbursement for serving nutritious meals to enrolled children. All meals served must meet meal pattern requirements established by the U.S. Department of Agriculture (USDA). In the operation of USDA child feeding programs, no person will be discriminated against because of race, color, national origin, sex, age, or disability.

The information requested on the attached Free and Reduced-Price Meal Application is necessary so that we may receive reimbursement for meals served to your child while in care. The amount of reimbursement we receive from the CCFP depends on the household income status of the enrolled children. Please complete the attached application, sign, date, and return it to the address listed below. **Please refer to the back of the application for full instructions.** Your application will be placed in our files and kept confidential.

Children from households that receive Food Assistance Program (formerly known as the Food Stamp Program) or TANF (Temporary Assistance for Needy Families) benefits are eligible for free meals. Children enrolled in Head Start or Early Head Start (HS/EHS) are eligible for free meals, subject to the submission of official, acceptable HS/EHS enrollment documentation. With proper documentation, HS/EHS children will not need Free and Reduced-Price Meal Applications. Foster children are eligible for free meals regardless of the income of the household with whom they reside, subject to the submission of official, acceptable foster care agency/court documentation or a Free and Reduced-Price Meal Application. Children from households with total incomes less than or equal to the levels listed below are eligible for either free or reduced-price meals.

HOW TO COMPLETE:

If any member of your household currently receives Food Assistance Program (FAP) or TANF benefits, then any child in the household is eligible for free meals. The application must include the child's name, the FAP or TANF case number, and the signature of an adult household member.

If completing a Free and Reduced-Price Meal Application for a foster child, the application must identify the child as a foster child, and include the child's name, any "personal use" income, and an adult's signature. Households wishing to apply for meal benefits for foster children should contact us if they have any questions.

If you do not list a FAP or TANF case number, or if the child is not a foster child, the application must include:

- the child's name;
- the names of all household members, including spouse, children, parents or other persons who live with you in the same household;

- the amount of income each person usually receives (before deductions for taxes, social security, etc.), how often it is received, and where it is from, such as wages, retirement, or public assistance. For self-employed persons, list net income. Net income is defined as gross receipts less operating expenses. For persons who do not receive any income, write "0" or "None";
- the signature of an adult household member; and
- the last four digits of the social security number of the adult household member who signed the application or the word "none" if that adult does not have a social security number.

VERIFICATION: Your application may be reviewed by the child care center or other officials at any time during the year to determine if it has been correctly approved. **CONFIDENTIALITY:** The information that you report will be used only to determine eligibility for free or reduced-price meals in the CCFP. **REAPPLICATION:** You may apply for free and reduced-price meals at any time during the year. If you are not eligible now but your household experiences a change, such as, a decrease in household income, an increase in household size, unemployment or receipt of Food Assistance Program or TANF benefits, then complete a new application.

Sincerely,

Melanie Ardis - Director

In the next three columns, circle Yes or No to answer each question for each child listed. **STEP 2:** Enter either the FAP/SNAP or TANF case number in the designated space. An adult household member must sign the form. Print the name of the person who signed the form, then enter the date signed.

In the next three columns, circle Yes or No to answer each question for each child listed. **STEP 2:** Skip this step. **STEP 3:** Enter the total income received by all children listed in STEP 1, then check how often the income is received. **STEP 4:** List all adults age 19 and older that are supported with the household's income, even if they are not related to you and even if they receive no income. If there is not enough space to list all adults, use a second form and attach the forms together. For each adult, list the amount of income he/she regularly receives before taxes or anything else is taken out and circle how often the income is received (frequency) in the appropriate columns. If self-employed, list net income. See examples below for sources of income to report. For any adult with no income, write "none" or "0."
