

Results of the Market Study for Jewell County, January 1, 2020

Pursuant to K.S.A. 1995 Supp. 79-1460a

Residential Property

A study of the residential real estate market indicated that the market is in a general upward trend.

Commercial Property

A study of the commercial real estate market indicated that the market is stable with no general upward or downward trend.

Vacant Property

A study of the real estate market for vacant lots indicated that the market is stable with no general upward or downward trend.

NOTE: Values of certain properties may not follow the above trend because of corrections of property characteristics, changes in the property or market conditions.
