# SMALL BUSINESS AWARDS EVENT

Risk-takers. Problem solvers. Dreamers and doers.

Not for the faint of heart, being a small business is a bold feat. Now, more than ever, it is critical that we celebrate those who have been put to the challenge. The Small Business Awards does just that, by showcasing those that dare to start, sustain and succeed.

Small business is the backbone of our community; these enterprises have proven to be the largest constituent contributing to the growth and prosperity of the local economy. Activities and recognition enhance small business success, provide resources for growth, and offer an exchange of ideas and valuable feedback between small business owners and local leaders.

Partner with us as we celebrate and honor small businesses and entrepreneurship in Montrose County at the Annual Small Business Awards event.
